Responsibility

At RMD we are dedicated to fulfilling all civic responsibilities associated with the work. From design based on approved UAE standards to approvals, execution and completion. Our experts ensure all applicable UAE standards are strictly adhered to.

Interior Fit-Out

Starting with accurate setting-out to sequenced fit-out our teams of site carpenters, masons, painters, MEP technicians ensure that the job is executed with the end in mind. Our multicultural work force share a common first language. Interior Fit-Out!

Joinery

RMD Joinery takes pride in delivering top quality manufacturing with excellent finishes. Our team of finishing carpenters and painters are well experienced and can take on the most challenging of tasks from marquetry, carving, complex shapes to straight forward designs. Our equipment is of Italian make in order to ensure tight tolerances during fabrication.

Design

Our experience in Retail, Commercial, Food & Beverage, Offices and Joinery coupled with our talented designers enable us to marry form and function in order to achieve the most opulent interiors. This coupled with our cooperation with several renowned designers locally and around the globe extend our design capabilities to endless horizons. You wish, we design.

Project Management

The process of construction requires careful study and planning. RMD ensures all aspects of the project are engineered, planned, executed and analysed with due diligence. Our aim is to be On Time, On Budget and with Excellent Quality!

Quality

RMD is a total quality managed business that has grown through managing projects from conception to completion. Our process from administration to execution is closely monitored and continuously improved as per our commitment to the quality system we follow. RMD is ISO 9001: 2008 certified.

Safety

RMD is committed to the safety of all it's assets: invariably the Staff, Organisation and The Client's Investment.

Safety on and off site is of paramount importance and the practice is continuously improved to ensure zero incidences. RMD has trained staff on Procedure, CPR & Fire Safety. Designated safety officers are assigned on each site.
