## about

Established in 1997, **nahas** interiors began as Jadis Interiors LLC, and reputed itself as one of the leading Interior Design firms in Dubai. The boutique firm provides a wide array of services to its Clients, and showcased its large collection of custom designed furniture in their showroom in The Courtyard, Al Quoz 1.

Over the past twenty years, JADIS has been recognised as an award winning boutique practice, with their works showcased across numerous publications.

In 2019, JADIS changed its name to **nahas** interiors and now operates as a fully integrated Interior Design Atelier. Our many years of experience in the field of Design, Construction, and Furnishing via our skilled craftsmanship allows us to bring contemporary design concepts to any interior. Our vision is not only to design bespoke interiors, but to also create memorable experiences.

## biography

Magda Nahas is an Interior Designer and the founder of **nahas** interiors. With over 25 years of Interior Design expertise in the region, she has worked on numerous projects on both the local and international fronts, with projects spanning across the Middle East, Europe, the Far East, as well as North America.

What distinguishes Magda Nahas is her talent and sensitivity to read and understand the aspiration of each client, and to create spaces and experiences to match their expectations. She has a unique talent for creating innovative concepts tailored to meet the specific requirements of each new project. Strengthened by her professional expertise and pursuit for new challenges, her quest for perfection, as well as her attention to details and refinement, she has turned NAHAS Interiors into one of the Middle East's most notable references in bespoke Interior Design ateliers.

collaborators

Hala Nahas obtained her B.Sc and Masters in Architecture degrees from McGill University in Montreal, Canada. She began her career in alongside leading architectural practices in Montreal, working on the design of corporate and institutional projects, as well as partaking in numerous global design competitions.

She later relocated to the Middle East, where she collaborated with world renown Bernard Khoury Architects / DW5 and Nabil Gholam Architects in Lebanon. As lead design architect and design manager, she led the design for large scale residential and commercial projects, while managing the complete design team throughout the various design phases to ensure successful project completion.

She has been a collaborator with **nahas** interiors for over 7 years, adding her architectural expertise and vision to interior design projects.
