Our Story

WHO WE ARE

We are multi-cultural, professional Interior Design Studio based in Dubai. We work internationally on Residential, Hospitality and Commercial projects producing High-quality, Bespoke Designs. Spanish founder and Design Director Guillermo Blanco combines his extensive design experience, including 30+ years working in prestigious design firms delivering high end projects in Europe, Middle East, Africa and Asia, with the talents of his team to create Quality and Exclusive Designs. WDM is a multidisciplined practice including Interior Architecture, Interior Design, landscaping and Window Display Design services.

“Design is our PASSION, It’s our LIFE”

“Multicultural expert Designers, from around the world, developing high quality Interior Design”

Mission

Producing High-Quality Interior Architecture, Landscape Design & Interior Design for clients across the world. Working closely with our clients creating valuable relationships to achieve the best design outcomes possible. We strive on our design creativity and efforts to be unique.

Vision

Lead global Interior Design Consultancy offering High Quality design at affordable prices. Our vision is to bring our clients Concepts to fruition. Our aim is Create, Innovate and make more beautiful people's environments
