ARAM BUILDING CONTRACTING L.L.C

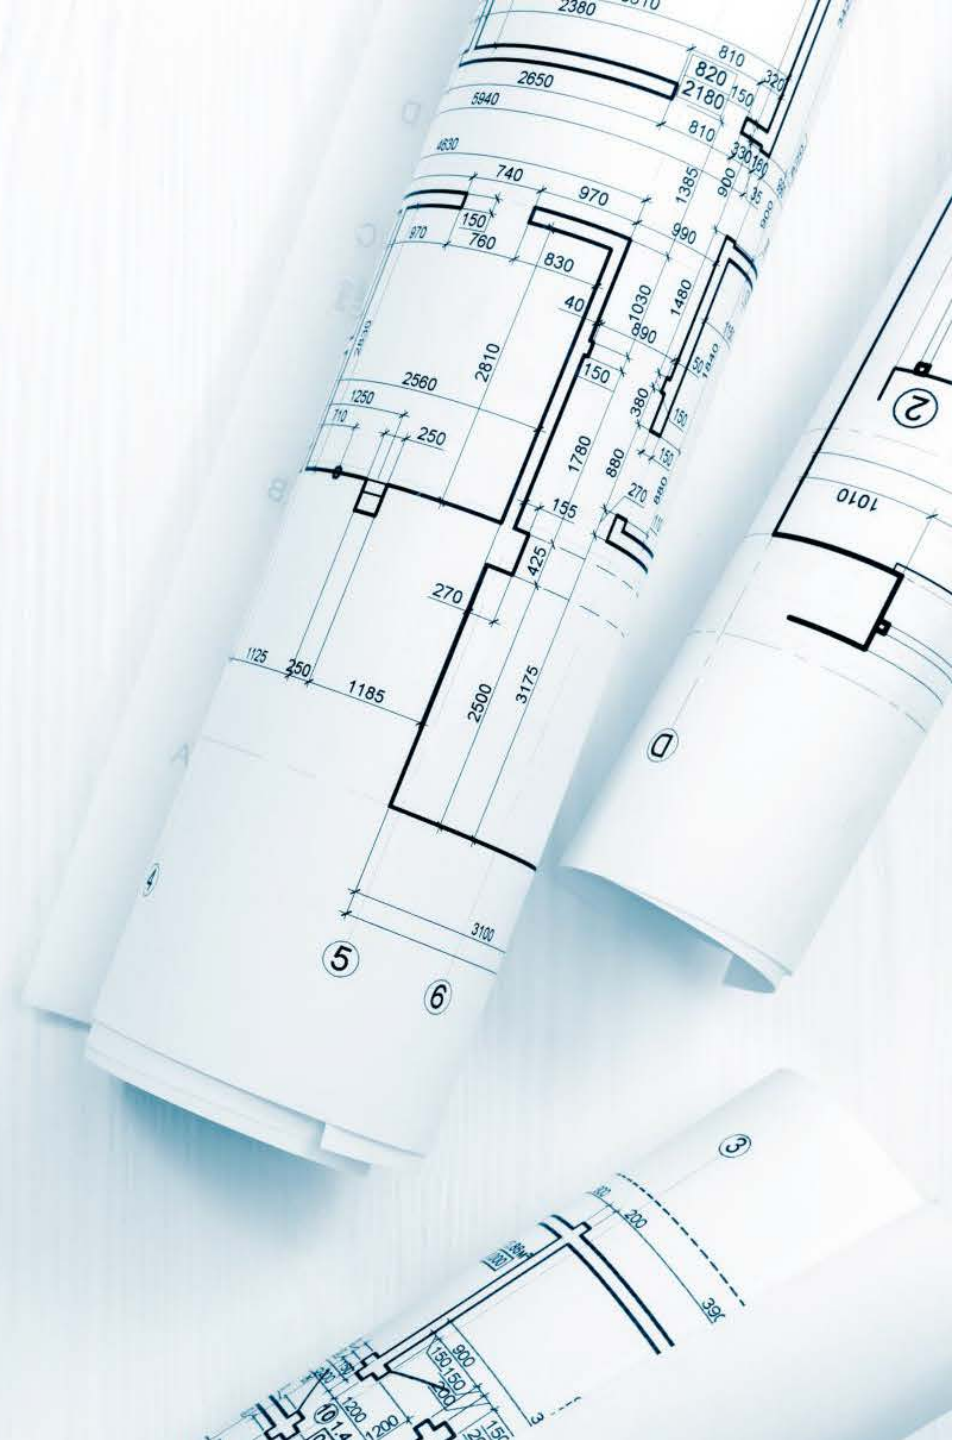

Who We Are

*Working in the industry for 16 years and counting, **Aram Building Contracting LLC** is proud to have a solid reputation in providing landscaping and turnkey solutions for commercial and residential properties.*

What We Do

We utilize our years of experience specializing in both commercial and residential design, space planning and turnkey project management. We understand and shape our client's dream into a reality.

Vision

To be recognized as the leading company providing high end, state-of-the-art corporate, commercial, and residential interiors.

Mission

To create and inspire quality services through design excellence, providing timely delivery. To develop and maintain outstanding relationships with our clients.

Values

We aim to constantly strive for continuous improvement, we remain committed in finding the right solutions and work towards a satisfactory service.

“Simplicity is the
ultimate
sophistication.”
-Leonardo da Vinci

A timeless design that exemplifies elegance and comfort. A style that invokes a rich, warm and inviting feeling, appealing to all ages and personalities.
(Emirates Hills)

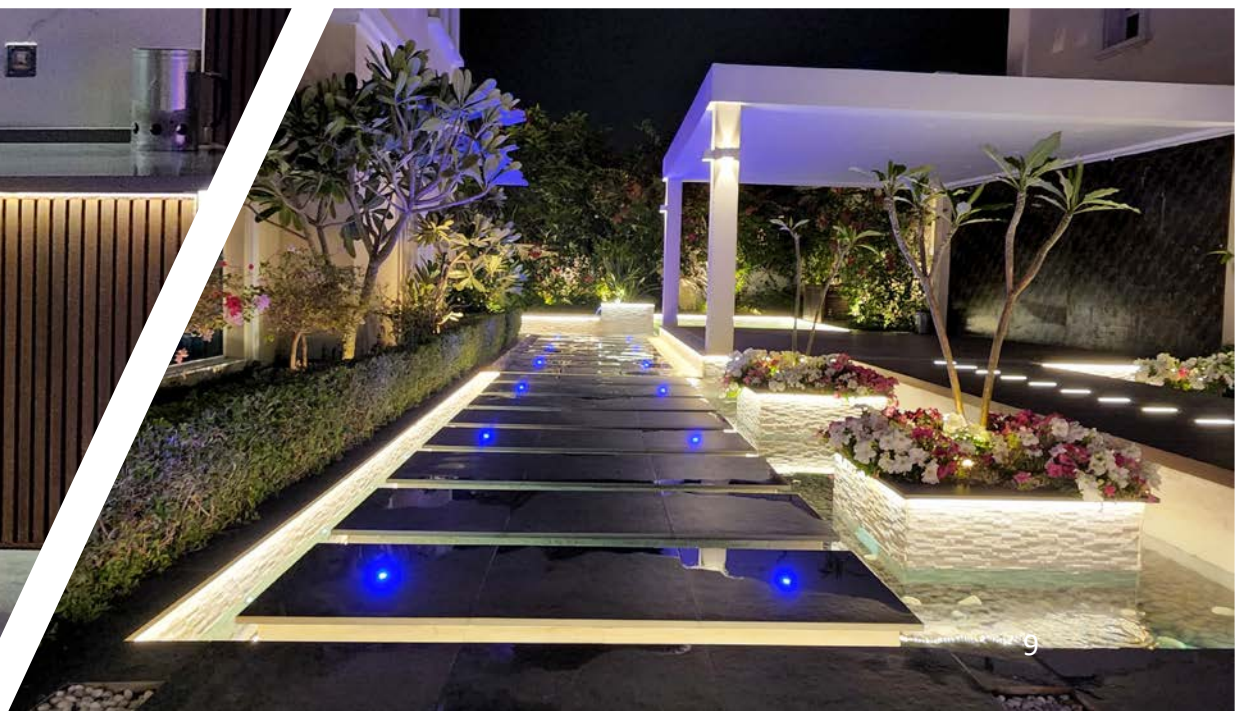

A style that combines classical and contemporary elements, enhancing nostalgic externals with vintage décor and lighting fixture components.
(Dubai Marina)

A design that was recognized by Association of Pool and Spa Professionals and bagged gold award for International Awards of Excellence Program in Freedom category.

(Thorsten Residence, Arabian Ranches)

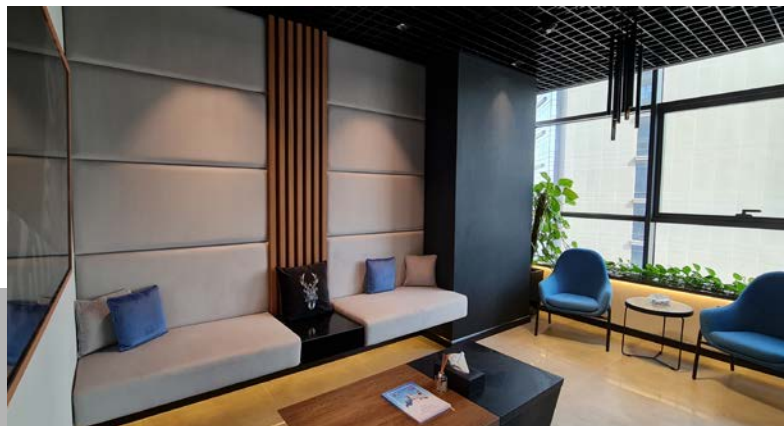

A functional landscape with aesthetic component where loved ones come together.

An innovative, high quality, modular office fit out that looks both professional and modern.

Commercial

“Architecture should speak of its time and place but yearn for timelessness.”

-Frank Ghery
