Why Choose **ACUMEN** ?

ISO Certified
Service Provider

Our **Values**

Attentiveness

Focusing on your unique needs and preferences for a tailored illumination experience.

Creativity

Infusing artistic flair into every lighting design to transform the ordinary into extraordinary spaces.

Uniqueness

Providing exclusive lighting solutions crafted to bring a touch of individuality and distinction to every space.

OUR
PRODUCTS

INDOOR LIGHTING

Acumen's indoor lights are exceptional, tailored to fit any building or fixture. With cost-efficient solutions and high-quality products, we offer customizable modular and strip lights. Our advanced technology ensures durability and smart lighting control for a seamless experience.

LIGHTING CONTROL

All our products at ACUMEN LIGHT can be controlled by the Casambi technology. Casambi system uses the latest technology in lighting control allowing the user to enjoy the following features:

- All lights can be controlled by Tridonic User friendly App and/or Bluetooth control.
- Full Lighting automation on all or individual lights.
- Dimming option for indoor & outdoor.
- Option to skip the switches.
- Customized lighting and saving energy.
- All the Tridonic system features doesn't require any extra wiring when applying it to our ACUMEN LIGHT products.
