ABOUT

AZ

We humbly came into existence way back in 1989, as "Al Zahi Décor L.L.C." (also rebranded as our flagship company, AZ Décor), one of the major players in the industry, as an Interior Design, Interior Decoration and Exhibition Contract Organization, based in Dubai, U.A.E. and have since been handling different projects of varying sizes and magnitudes.

AZ Décor aims to be the premier manufacturer and supplier of high quality products and services for wooden, metal and acrylic materials in the GCC.

We pride ourselves on our excellent reputation for quality, reliability and service. Our craftsmen are amongst the most highly skilled in the industry, our designers, amongst the most innovative and our suppliers, carefully chosen for their commitment to quality and their ability to deliver on time.

AL ZAHİ GROUP OF COMPANIES

Our founders, Ashok Pillai and Stanley Mathews have never looked back since establishing Al Zahi Décor in 1989 and have also ventured into the field of holistic healthcare by joining hands with veteran Ayurveda Specialist Dr. V.L. Shyam, to establish "Dr. Shyam's Ayurveda Centre", in 2011. It has since become the market leader in alternative medicine, having set up multiple branches in the U.A.E..

Yet another venture was initiated by our founders, in Bangalore, India, in the form of "DesignArt" that was incorporated in 2014. It is the chief supplier of DuPont Corian Tops for interiors in India.

As Al Zahi Group Of Companies expands its horizons to hospitality, advertising and emerging technologies, it has become the region's most dynamic incubator of strategic alliances with visionary industry experts.
