BE4 PROFILE

The “Made in Italy” is always considered a symbol of style and quality all over the world, especially when it comes to design and furniture. And the potential for Italian brands in the Gulf Countries and throughout the Middle East is always quite significant.

Such is the belief of Beatrice Forte, founder of Be4 Design, leading supplier of premium furniture for office and restaurants in Dubai since 1994.

Be4 Design has been bringing the best Italian (and international) brands to Dubai for over twenty years. Just to name a few: Fantoni, Pedrali, Andrew World, Moroso, Metalmobil. Sellex, Doimo office, Cattelan Italia, Varaschin.

“BUT THE ITALIAN TOUCH IS EVIDENT
NOT ONLY IN THE CHOICE OF PRODUCTS”

In the most recent times we have been focusing especially on developing our business in the hospitality and food service sectors, promoting high quality standards brands. Some of our latest projects include the Postreria and Tike restaurant in JBR, the Rosso Vivo chain of restaurants (the latest one at Terminal 3 of DXB), Madmoiselle Restaurant City Walk 2, the food court on the top floor of Marina Mall, and the new Dubai Mall food court.

Changing sectors completely, the jewellery showroom Roberto Coin (shell&core in JLT, completely done by Be4 Design), the Ibis Hotel in Bahrain, just to name a few. In the office furniture sector, prestigious names like Ferrero headquarter in business bay. Tecom headquarter, Tecom business center, Smart police station and all floating meeting rooms in Dubai Design District.
