WOODS GROUP

Woods group of company is an multimillion-turnover company with diversified activities, dominating our presence in the Architectural/ Interior Fit out sector for the past several years with branches in Dubai, Sharjah , UAQ and India.

A strong & professional work force of 163 employees work close together with determination to deliver the very best product/service to the customers. The group activities include Turnkey Interiors, Wooden Joinery, Furniture upholstery, uPVC Doors and windows production, Landscaping and Irrigation, Electro mechanical, etc. A detail list is ncluded in the group activity section.

Woods Group main divisions are engaged in the manufacturing and installation of high-quality architectural joinery products, all types of tailormade upholstered furniture products for the residential and commercial buildings, uPVC doors & windows, Architectural Glass works, total landscaping and irrigation projects etc. Using our modern in-house facility, we can develop innovative design from the basic pieces to the most complex creations.

Woods Group'steam is rare combination of experienced and skilled joiners, carvers, polishers, fabricators, production and installation wing as well as qualified estimators, surveyors, project controllers to handle any sophisticated job to the entire satisfaction of our clients.

Big value contracts are much welcome since our finance, factory, manpower and infrastructure are designed to execute such high value jobs at a competitive price and in the scheduled period of time.

Our 30,000 sq.ft total factory area is well equipped with all the modern machineries to produce the best results. The administration and estimation department are attached to the factory building and this enables proper control on production, quality as well as execution.

We welcome you to our factory/ office in case you feel to assess our infrastructure and competency to serve in the standards that you expect.

"The achievements of an organization are the results of the combined effort of each individual."

Vince Lombardi

"We understands Dubai will never settle for anything less than first place." We are always keen to to provide World's best product and services.

- Any crane, hoist or lifting tackle that is to be brought into the working premises must have a copy of its current inspection certificate with it.
- All contractors' employee working for Woods Group's shall be familiar with the location of the nearest fire alarm, the evacuation signal, the escape routes and the correct extinguishers and their location.
- No guards or protective devices may be removed or misused by employees from any machine, lift or any other facility.
- If the employees are working close to the edges of roofs, then the precautions of guard rails and toe boards and/or safety harnesses must be used.
- When using welding equipment, fireproof screens must be installed to protect employees from welding flashes.
- Any employee, if involved in or witnessing an accident (such as injury, vehicle collision, fire, property damage, atmospheric pollution etc. or near miss) shall inform the Woods Group's Supervisor.
- Any employee working for Woods Group's shall at all times ensure that they are thoroughly familiar with the relevant area's emergency response procedures.

HEALTH, SAFETY AND ENVIRONMENT POLICY

- We, at Woods Group are totally committed to a policy of prevention, reduction and elimination of all undesired events that could or do result in loss and to protect the interest of the company and client at all times.
- To achieve this, aim the Company has embarked on a risk management and safety program which will encompass all sections and areas of our operations. The specific objectives of this program are as follows:
- To place paramount emphasis of the prevention of accidents to persons, damage to the property and loss of process.
- Prompt accident notification, reporting and investigation.
- The establishment and maintenance of a safe, healthy and protective working environment.
- Protection of property, equipment and material from all down grading incidents.
- Provide and maintain a safe place and a safe system of work, safe tools and equipment's and a safe and healthy working environment.
- Comply with all statutory duties for the protection and promotion of the health and safety of our employees and others who may be affected by Woods Group's activities.
- Maintain the standards of occupational health and safety to prevent human suffering and loss, which results from sub-standard malpractices.
- Personal negligence towards safety and health regulations is strictly forbidden, any infringement of the regulations will result in disciplinary action being taken against the offender.
- It is vital that all employees commit themselves to the attachment of these objectives by ensuring that every task is done safely and in accordance with the project policy and procedures, standards and managerial instructions.
