BLUEPRINT
DESIGN AND CONTRACTING

04. Structure & Organization

Blueprint offers complete contracting and fit-out services. Our fully integrated services include design, planning, procurement and all aspects of contracting, from workspace partitioning, floor finishes, suspended ceilings, bespoke metal & joinery works, interior and exterior signages, shopfronts, and the provision of data, electrical, voice, lighting, security, mechanical and ventilation systems.

Our successful experience with restaurants, shops, department stores, banks and corporate offices, has enabled us to deliver a complete turnkey solution effectively, maintaining an eye for detail.

Acting as the single point of contact for the client, our experienced project managers control and manage all aspects of the project (from start to finish) and coordinate the work of all our in house teams of experienced professionals and groomed sub-contractors to ensure that we hand over a completed project within budget and deadline.
