About us

Chairman's message

"Since inception in October 2001, Saif Belhasa Holding (SBH) has achieved extraordinary growth to establishing over 50 companies. Without the dedication and hard work of every individual working with us to achieving customer satisfaction such growth would not have been possible.

As the Chairman of the group, it is my core responsibility to instill the principal philosophy of accountability, respect, collaboration, integrity, credibility, excellence and diversity company-wide. My vision is to take SBH to a leading group providing solutions to its customers from the GCC to the world. Our mission is to achieve long-term goals by diversifying our services and products in every manner.

I firmly believe that employee satisfaction is a foundational pillar to customer satisfaction. Our current policies welcome employee engagement and satisfaction, making it possible to turn a group of 10,000+ members into a "family" working together in a serene environment. In particular, SBH has consistently sought to achieve a healthier multicultural working environment where the productivity of our employees is maximized by being an equal opportunity employer in its decision-making processes.

With over 50 companies and counting, we are proud to have addressed customer needs comprehensively and continue to work diligently to deliver tailor made solutions seamlessly."

Saif Belhasa, Chairman of SBH

About us

Our capabilities

The creative interior design and fit-out subsidiary of the Saif Belhasa Holding group, Belhasa Interiors is a leading, sustainability-principled and versatile studio based in Dubai. Part of one of the largest and most diversified holding groups in the region, Belhasa Interiors has leveraged its vast in-house resources to lead the design and execution of over 50 high-profile residential, commercial and governmental clients and over 200 projects region-wide, including Galeries La Fayette, House of Fraser, Fauchon, The Chocolate Bar in Mercato Mall, Studio 8 at Dubai Mall fashion Avenue,

UAE Ministry of Community Development, UAE Ministry of Justice, Dubai Police, Dubai Health Authority, UAE Ministry of Health and Prevention, UAE Ministry of Infrastructure Development.

RECOGNITION AWARD

BELHASA
INTERIORS

LUXURY LIFESTYLE AWARDS 2022

14th Annual

Dear Team of BELHASA INTERIORS,

It is with great pleasure that we confirm your success and congratulate your achievement in the Luxury Lifestyle Awards 2022.

The objective of these awards is to recognize excellence across the whole range of industry sectors and maintain the highest standards in the property industry worldwide.

After a thorough research process, BELHASA INTERIORS has been distinguished as one of the best in this market. Your impeccable reputation and professional performance have been recognized and acknowledged. Now we are pleased to announce, that in accordance with the results of our research and selections, BELHASA INTERIORS has become a Winner of Luxury Lifestyle Awards in the category of:

Best Luxury Commercial Interior Design for 'Fauchon Paris Restaurant' in Dubai.

Please accept our heartfelt congratulations on behalf of the Organizing Committee of Luxury Lifestyle Awards upon achieving such a great result and getting your efforts recognized and celebrated. We look forward to seeing some exciting promotions of your success in the coming months, and we also hope to see you among our participants next year too.

Organizing Committee
of Luxury Lifestyle Awards

Core Team Biographies

Ahmed Lashin, Architect

General Manager

Architect Ahed Lashin is an accomplished Architect with an impressive 20-years last career, with the 18 years dedicated development of Dubai.

Throughout his extensive career, Mr. Ahmed Lashin has demonstrated exceptional leadership and proficiency in managing a diverse range of projects. His expertise spans various architectural And interior design domains, showcasing his ability to adapt to the unique challenges and opportunities each project pesents.

Arch. Lashin held a significant role in managing the design and construction process for various offshore projects of household name brands within the Gulf region. His primary goal was likely to ensure tht the design and delivery of these projects met world-class standards and portfolio includes successful oversight of projects in offices , F&B, Retail , residential,5 star hotels, and mixed-use developments within gulf area . His commitment to delivering high-quality results that consistently exceed expectations has set him apart in the industry.

Stefan Camacho, B.Sc LEED GA

Interior Architect

Stefan is an Interior Architect at Belhasa Interiors in Dubai. Having joined us in 2016, Stefan has built a strong reputation as a design consultant and is motivated to prove how design adds real value to the social, cultural and commercial goals of any organization.

Stefan started his career at a small Philippines-based design studio, building his architectural and interior design experience by taking full responsibility for all aspects of the design process: from project coordination, to the drafting and preparation of schematic architectural drawings, to running feasibility studies, as well as ideating and implementing unique bespoke concepts for his clients. He has successfully developed the unique design solutions and overseen execution for over 10 organizations, including high-end fashion and lifestyle brands including Studio8 at the Dubai Mall, MoneyKicks, Amro Salon, the Parisian Fauchon and The Chocolate Bar in the UAE.

Stefan holds a B Sc from the University of Santo Tomas in the Philippines, is a registered professional at the Dubai Municipality and Society of Engineers in the UAE, and a member of the United Architects association and the Professional Regulatory board of the Philippines.

Hussien Salah, B.Sc

Interior Architect

Hussein is an interior architect at Belhasa Interiors in Dubai.

Hussein is an accomplished interior designer with extensive experience in more than 160 projects spanning Egypt, Qatar, Oman, Turkey and Saudi Arabia. His portfolio showcases a diverse range of projects, each highlighting his ability to blend functionality with creativity. With a keen understanding of local design trends and a commitment to excellence,

Hussein consistently delivers exceptional results. His work reflects a deep passion for design and environmental solutions.

Hussein is fluent in English and Arabic. He holds a B Sc in Architectural Engineering and Technology from As Salam University in Egypt.

Huda Elsharkawy, B.Sc

Interior Architect

Huda is an interior architect at Belhasa Interiors in Dubai.

Her innovative approach, integrating new technologies and AI, has led to impactful initiatives in Egypt, UAE, Georgia, Italy, America, and Kuwait. Her work consistently pushes the boundaries of design, bringing a unique perspective, and combines a flair for design with a deep understanding of sales and customer needs. This blend allows her to create spaces that are also perfectly tailored to clients desires.

Huda is fluent in English and Arabic, with some knowledge of German and Russian. She holds a B Sc in Architectural Engineering and Technology from the Cairo University in Egypt.

Rodrigo D. Salcedo, BS.CE

Senior Estimator

Rodrigo is an accomplished Civil Engr. but he dedicated his career in Fit-out and Joinery trades since he arrived in the UAE in 2008.

He's been involved in high rated projects in the UAE such as the AT.MOSPHERE and ARMANI Restaurants in Burj Khalifa to name a few . He has ample experience in all type of occupancy projects such as residences, villa, restaurants, hospitals, retails,, banks, food court, etc.

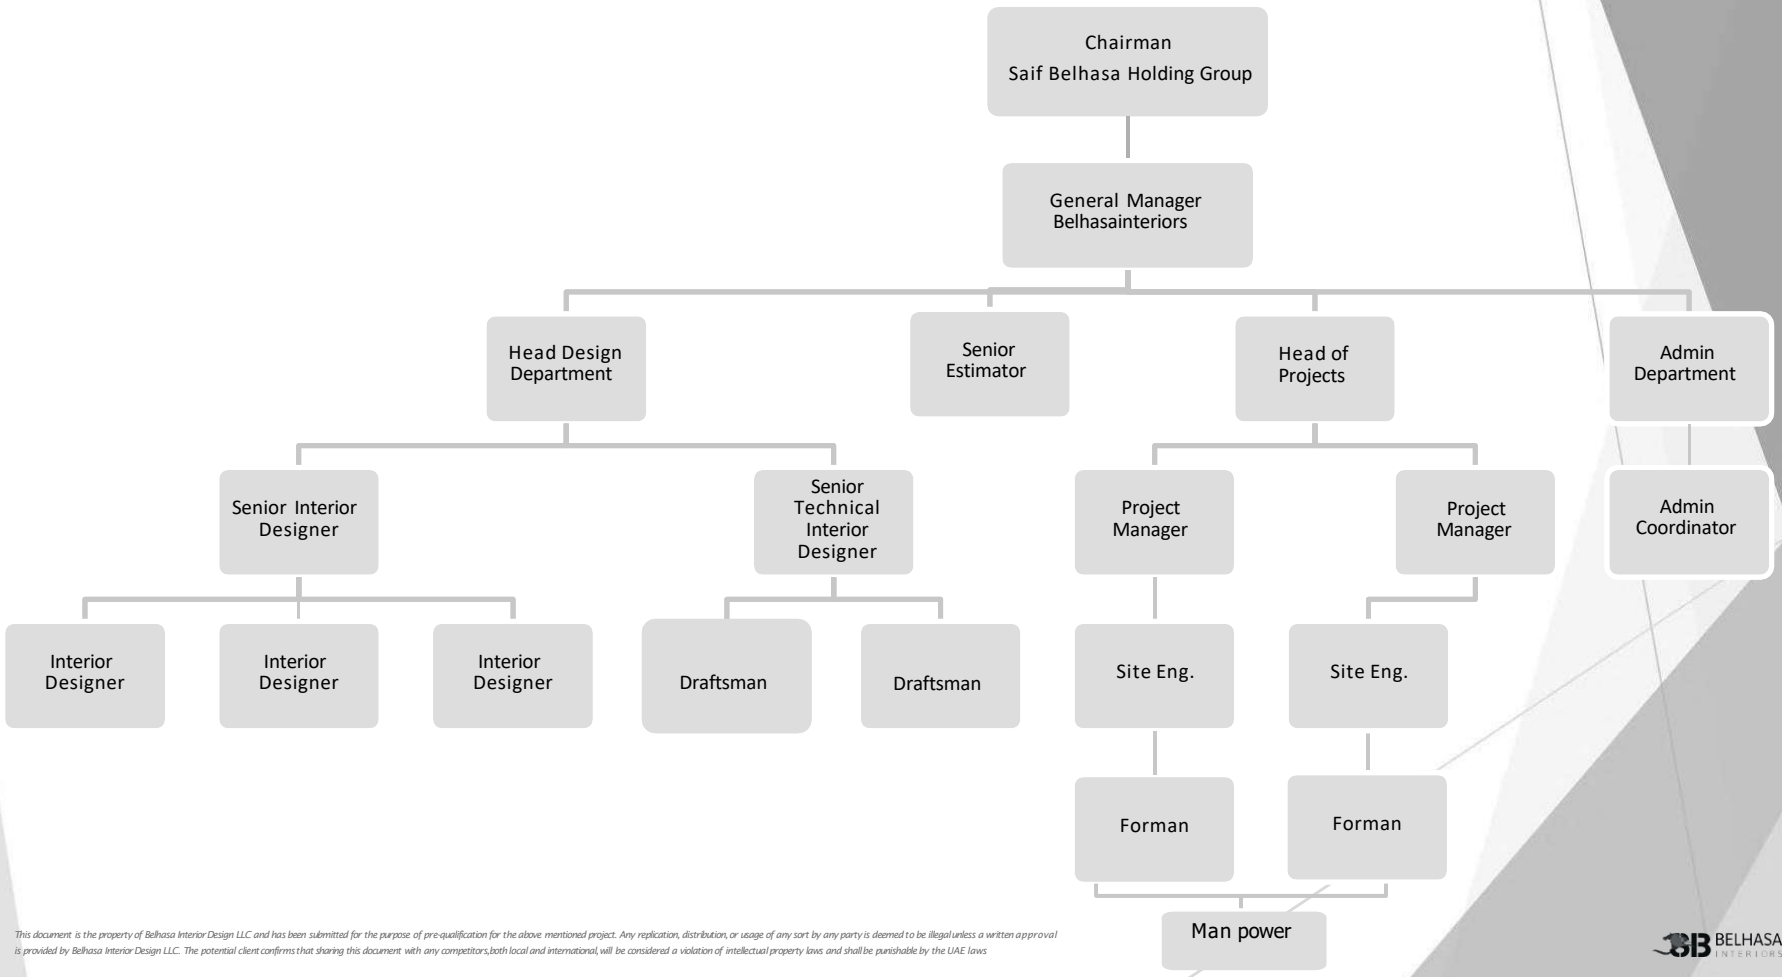

His job mostly on his post graduate career was Project Management and it greatly contributed that experience when assumed Estimation position in the UAE thus becoming a QS and Senior Estimator.

Rodrigo is a registered professional Bachelor Of Science in Civil Engineer in his native Philippines.

CLIENT TESTIMONIALS

BELHASA
INTERIORS

- **Client recommendations/testimonials**

Bhavin Turakhia
Founder and CEO, Zeta for Anantara North Grand Penthouse

"Belhasa Interiors' technical expertise exceeded our expectations from a design studio. Not only did they enhance our vision but went a step beyond to actually transform the interior architecture and optimize our space usage – all without affecting the live operations of a fully functional five-star property. Their knowledge and capabilities have made them partners we truly rely on."

Yousef Abu Sha'aban
Head of Engineering, Seven Tides LTD for Anantara South Penthouse

"This series of luxury penthouses had a dual renovation challenge. One was to revitalize the canvas to appeal to contemporary high-end tastes while allowing for personalization. The other was to ingeniously accommodate upgraded amenities within the existing structure to suit the modern, high-flying lifestyle. Belhasa Interior's seamless delivery coaxed unexpected opportunities out of the space."

Mohamed Al Mazrooei
President, Arab Authority for Agriculture Investment and Development for AAAID Headquarters

"Only Belhasa Interiors could so successfully translate AAAAID's core mission into such a clear and tangible design. The end product was an ode to Mother Nature, be it with harnessing natural light and greenery or integrating sustainable materials and energy efficiencies into the structure. Appealing to the best of natural wellness, the AAAID Headquarters now resonate deeply with our organization, stakeholders and visitors."

THE BMI IN BRIEF

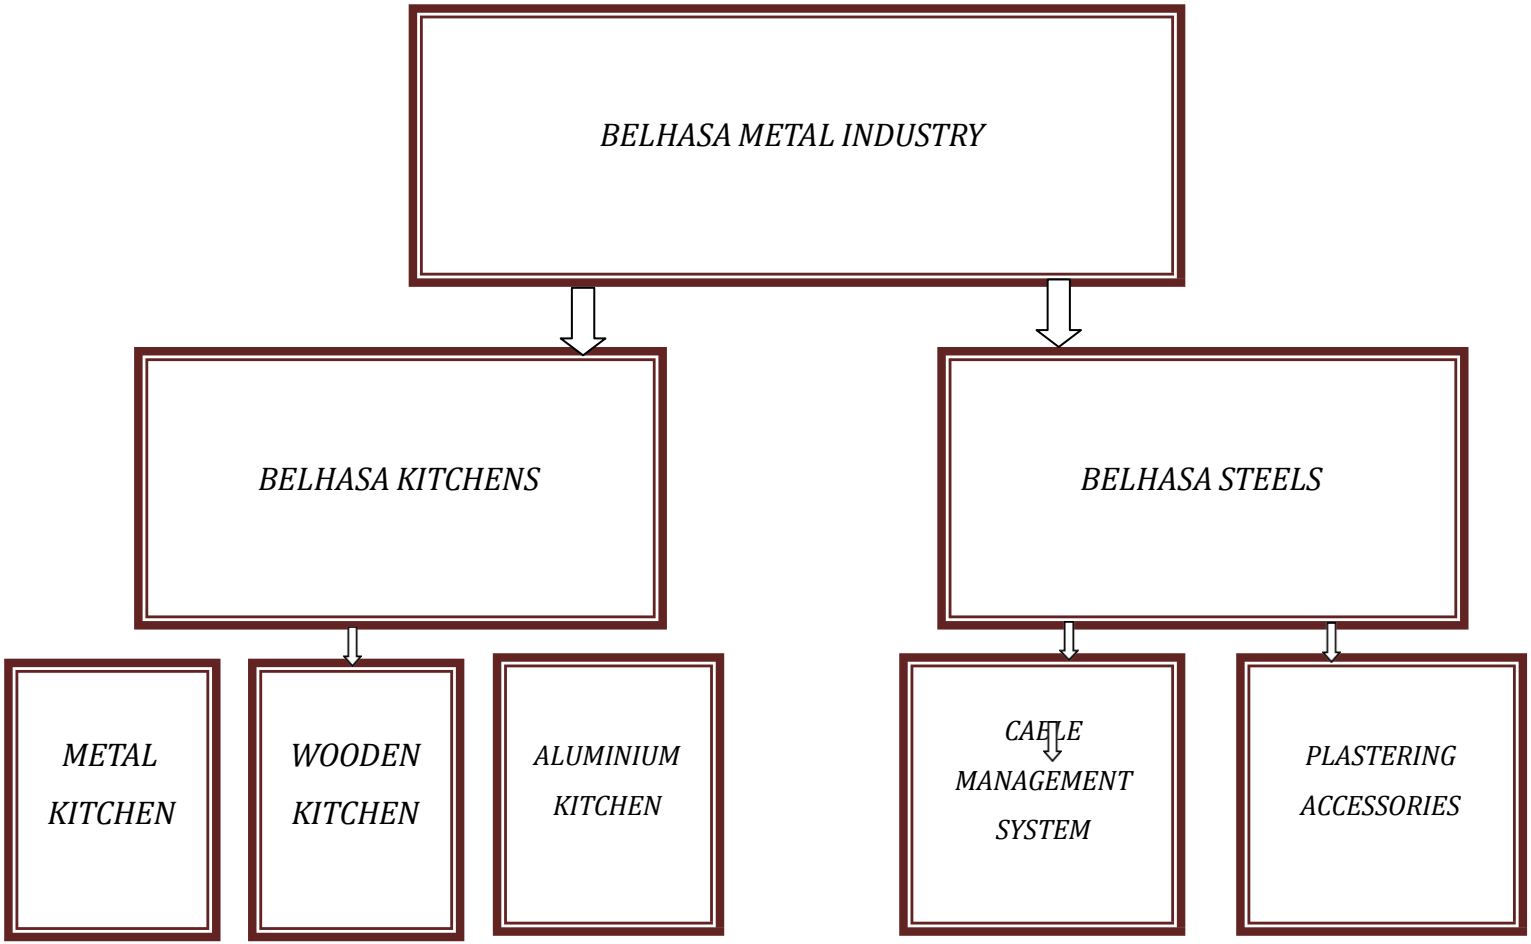

Belhasa Metal Industry, one of the prestigious ventures of M/s Saif Belhasa Holdings was founded in 2004. Bringing quality within everyone's reach has always been our top priority. With ISO 9001:2015 Quality Management. BMI has always been on the cutting-edge of the kitchen world by constant product and process innovation.BMI is presently a leading player on the Kitchen cabinets industry in UAE by being in all segment of kitchen market.

DESIGN

BMI employees share a continuous quest for taking care over details, quality, technological excellence, exclusive and innovative design. The design of the BMI collections is made by the architects and designers of BMI, who skillfully combine quality, attention to design and exclusive details. We respect and encourage customers to customize their unique options on kitchens & kitchenware, which fully satisfy their real need and reflect their taste on life.

NETWORK

BMI has its marketing operation through two showrooms in Dubai and one in Abudhabi and a wide network of sales force.
The constant dedication to innovative products and commitment to client satisfaction has taken BMI to the very heights of the tailor-made kitchen world.

MANUFACTURING YOUR

BMI develops unique working techniques in combining different materials, creating a sophisticated and exclusive product.BMI collections are distinguished by their quality, exclusive design and distinctive charm that makes them immediately recognizable.

- SKIN PLATE SERIES
- WOOD SERIES
- ALUMINUM SERIES

This is possible through the combination of the industrial manufacturing together with unparalleled quality in detail guaranteed by meticulous craftsmanship during all production phases. BMI employs fully trained professional trades people to manufacture and install our kitchens.

Skin Plate is a factory fabricated plastic film laminated on low carbon content, smooth surface steel of 0.70mm thickness. The base material of the skin plate is hot dip galvanized. The plastic PVC is applied on the galvanized sheet with 200 microns thick to give high protection against corrosion.

The most common material used in kitchen cabinetry today is wood. Wood is a popular choice due to the numerous finishes available, allowing you to create a truly customized kitchen

Trending design themes demand a contemporary vibe, and Aluminum Frame modernity. Enjoy Cabinet Doors are sleek becoming a style icon of door profiles and finishes to set the scene and accentuate with glass and metallic inserts that add artistic flair

B.M.I

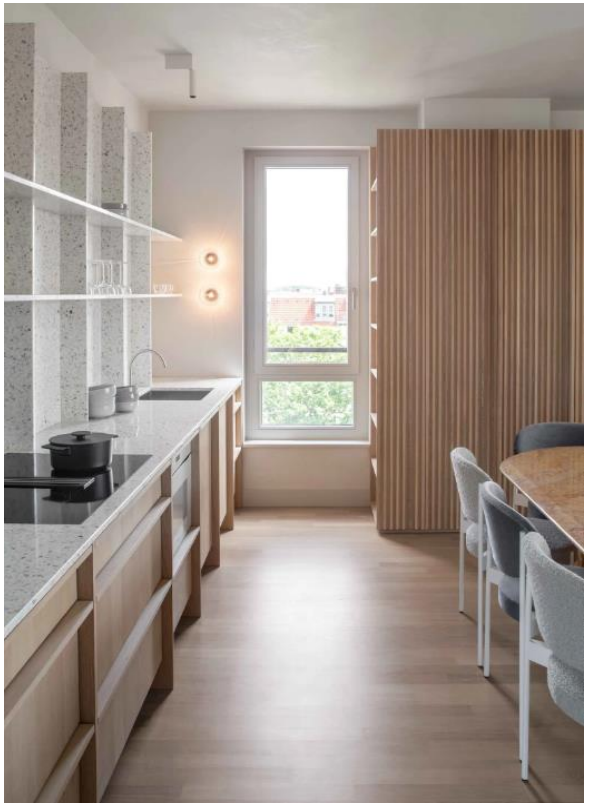

Designers will work with you to create a kitchen to suit your lifestyle, needs and budget. We use the latest in CAD technologies and can also provide excellent hand sketches in guiding you through your options and creating a 3D design of your ideal kitchen, this gives you the perspective of viewing your kitchen before even having it manufactured

Draft Of Warranty Certificate

Reference No: DRAFT ONLY

Send To:
Date:

Job Order Number:

Dear Sir,

Subject: **Warranty Certificate**

Works Of: **Supply & Application of**

Warranty Period: **5 Years**

Subject to the limitations set forth below, Belhasa Stones And Concrete Flooring – (the Installer) warrants its ……against color fading and/or delamination within the colored concrete layer for the specified period, granted that a regular maintenance program per Manufacturer's recommendations and guidelines is adhered to and is executed by Belhasa Stones & Concrete Flooring or one of the certified applicators by written consent of BELHASA (The Manufacturer), and as long as the surface integrity is maintained and the substrate is structurally sound and free of movement, defects, cracks, or other performance failures; and granted the flooring is subjected to traffic and loading within its specified and intended uses, and is cleaned and maintained in line with Manufacturer's recommendations and guidelines.

When defects covered by this warranty are noticed and established, Belhasa Stones & Concrete Flooring must promptly be informed in writing by the Owner or Main Contractor within seven days after observation of the defect. No claim will be considered without such written notice or after the specified time interval. Replacement of defective materials or finish will take place within a reasonable amount of time subject to delays caused by strikes, availability of raw materials, acts of God, war, accidents, or other causes beyond Belhasa Stones & Concrete Flooring's control, and only to the affected areas once liability by Belhasa Stones & Concrete Flooring has been substantiated. Owner or Main Contractor must furnish to Belhasa Stones & Concrete Flooring releases of liability from building/facility occupants who might be affected by repair operations and has removed at Owner / Main Contractor expense obstructions, additional equipment, or structures installed after the date of product system installation which would hinder or interfere with repairs being made in most expedient and least expensive manner. Belhasa Stones & Concrete Flooring responsibility and obligation shall commence from the effective Warranty Date and shall not be in effect unless full payment has been received for the materials sold and/or services rendered. Belhasa Stones & Concrete Flooring 's liability shall be limited to replacement of the affected finish installed by Belhasa Stones & Concrete Flooring, and shall not include any incidental or

Other damages, delays, or compensation for inconvenience caused to Owner or occupants.

The …….. system is strictly composed of the following components: substitution of any

individual component by any other material without the written consent of the Manufacturer nullifies this

warranty:

1.
2.
3.
4.
5.
6.

This warranty is null and void if a sealer or other components from other manufacturers are substituted for Belhasa Stones & Concrete Flooring approved materials without Belhasa Stones & Concrete Flooring's prior written notification and approval, or when repairs, modifications, or alterations are performed without Belhasa Stones & Concrete Flooring's prior knowledge and approval. Belhasa Stones & Concrete Flooring shall also not be liable for damage caused by other trades. The warranty does not cover failures in the substrate, defects or damages caused by accidents, misuse, neglect, abuse, malicious acts, unapproved alterations, unauthorized repairs and cleaning, maintenance not in compliance with Belhasa Stones & Concrete Flooring's recommendations, efflorescence caused by inadequate waterproofing in the substrate, failures and cracks caused by improper subgrade compaction, surface hairline cracks, system abrasion due to normal wear, and discoloration caused by runoff from other materials or irrigation water.

THIS LIMITED WARRANTY IS THE ONLY EXPRESS WARRANTY MADE BY THE MANUFACTURER AND INSTALLER AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. IN NO EVENT SHALL THE MANUFACTURER AND INSTALLER BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. THIS WARRANTY MAY NOT BE ALTERED OR EXTENDED FOR ANY PURPOSE.

For this warranty to be valid, you must retain a copy of the original contract, a copy of your payment in full for the contract value and site handover (i.e. the final certificate by all the parties), and retain all records

of good housekeeping systems in place.

Regards,
Belhasa Stones And Concrete Flooring

Environment, Health and Safety Policy

COMMITMENT

- Belhasa Stones and concrete flooring strives to provide a healthy and safe work environment. This is not just a moral and legal responsibility but also a prerequisite for the company to achieve its primary mission to conduct research, carry out analysis, providing consulting services and promote its strategic environment and health process at the highest international standards through the attraction and retention of high quality staff and other working partners. This commitment to protecting people and property also extends to ensuring company's operations do not place the community at any risk of injury, illness orproperty damage.

POLICY STATEMENT

To achieve this, the managers & all key personnel shall:

- Adopting a risk management approach which is consistent with the nature of tasks and activities.
- Providing and maintaining safe workplaces, plant and systems of work.
- Treat the environmental aspects of any work activity with equal value to commercial and quality aspects.
- Comply with applicable EHS laws and regulations pertaining to the country of operation.
- Support the identification of environmental impacts in work activities.
- Ensuring Zero accidents, incidents or occupational harm by identifying hazards and assessing risks.
- Ensure that all members of the senior management have the prime responsibility for health and safety and they demonstrate this obligation through their actions.
- Encourage the reporting of unsafe acts & conditions and the actions to improve performance.
- Do their best to minimize the environmental impact of our activities by preventing pollution and minimizing waste.
- Investigate all events where injuries, damage to property or the environment has occurred including all near miss incidents where there was high potential to cause injury or damage.
- Providing information, instruction, training and supervision to ensure safe systems of work.

- Ensuring that nominated safety personnel are adequately trained and supported.
- Consulting and cooperating with health and safety representatives, workers and others; providing and maintaining personal protective equipment as required; and continuously reviewing and improving its safety performance.

All people working within the company have an obligation to follow these principles fully. By doing so, we create a working culture that continuously strives to improve environmental performance and a working environment where harm is reduced to a level, which is as low as reasonably practical.

Quality Policy

Belhasa Stones & Concrete Flooring is committed to provide superior quality products and services that meet applicable regulatory, statutory, and customer requirements by adhering to a quality management system that benefits our customers, employees and shareholders,

This we shall achieve by:

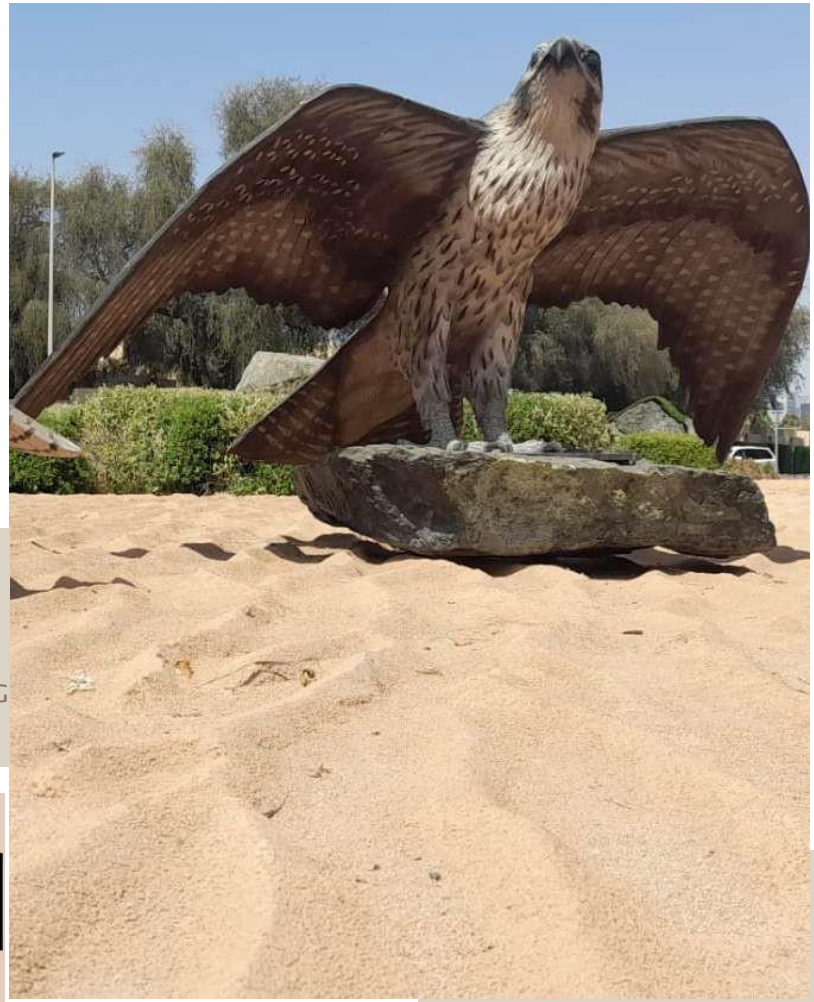

- Value our Customers through open communication, timely responses and continualimprovement.
- Appreciate and foster an environment of trust, integrity, challenge and reward thatattracts and retains the best employees in all positions throughout the company.
- Leverage efficient technology applied to all business processes in order to maintain acompetitive advantage.
- Understand that our ultimate purpose is customer satisfaction.
- Ensure that our Quality Management System serves our customers' needs.
- To empower all staff to understand the key characteristics of each and every newproduct before serial production commences
