The Décor People

Urban Space Décor LLC UAE's leading interior design and build experts. We specialize in contemporary commercial interior Design, office, fit-outs, office refurbishment and office relocation and create world class workplace environments for occupiers in Dubai and throughout the UAE.

OUR APPROACH

We would work hand-in-glove with you to analyze every aspect of your occupancy costs with the goal of designing and delivery of practical and cost effective solutions. Informed by a firm commitment to the protection and limited natural resources.

Just because your project budget may be small it does not mean that you should accept anything less than the best.

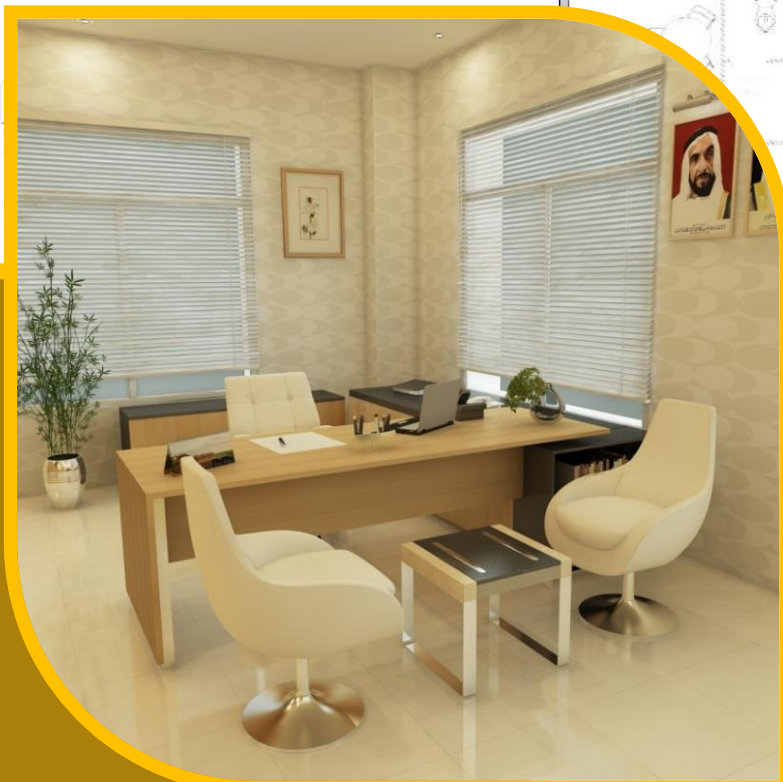

Urban Space Décor have a highly skilled specialized team dedicated to undertaken small office design and fit-out projects with simple contracts, fast turn around and less fuss. Because at Urban Space we pride ourselves in delivering exceptional service and value for money.

OFFICES

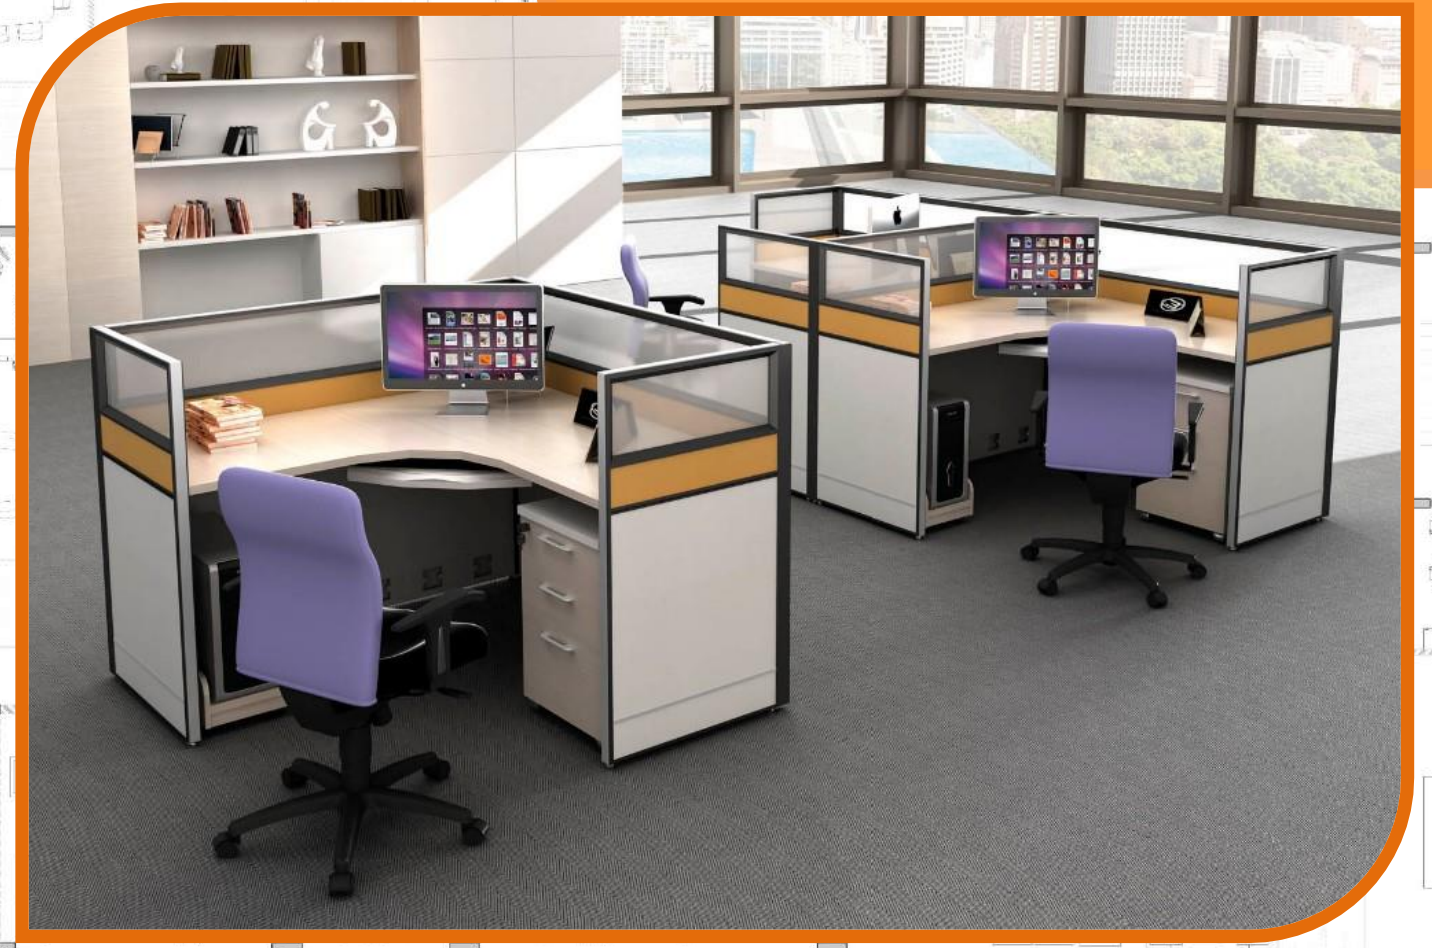

A successful environment is the result of an intelligently planned workplace.

If workplace optimization is approached correctly it should be exciting and rewarding. How an organization utilizes their Facilities can determine the difference between spaces that create expense versus spaces that are an asset. We design to create value for your investments, to maximize employee satisfaction, enhance productivity and increase wellness factors.

Project Design and Delivery

Visualization

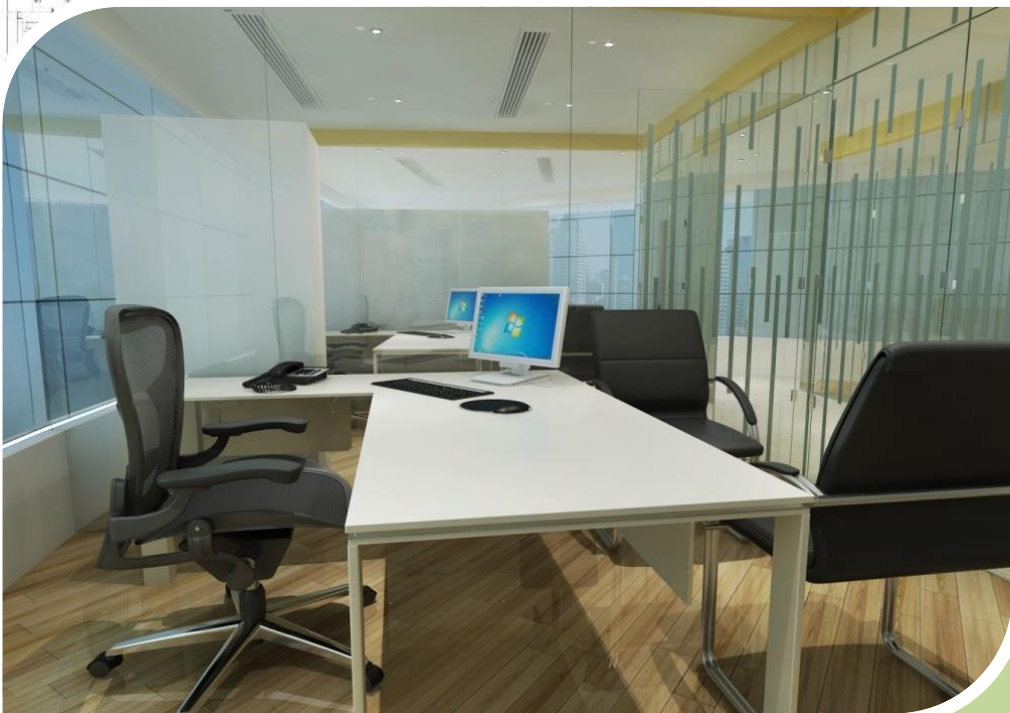

The technical development process is a continuous and controlling one that guides, directs and ultimately ensures that the many approvals, regulations and risks associated with a project are overcome in order to realise delivery of an optimised workplace.

Delivery of the design solution and the realisation of the optimised workplace ultimately rests with a successful construction process.
