CEO'S DESK:

Welcome!

Thank you for the time to dive through the Design Max Interior LLC Group of Company profile!

We have come some way since our inception and this simply wouldn't have been possible without the collective effort of our team, partners and customers.

Design Max Interior LLC Group of Company is more than an interior design company - it's a culture and a lifestyle, where the focus is not just about transforming spaces and moods but changing lives in the process as well.

Together let's collaborate to create areas that tell their own unique and inspirational story. That is the beauty of interior design.

Warm Regards!

Rizwan Ahmad Khan

CEO, Design Max Interior LLC Group of Company

OUR STORY:

Design Max Interior LLC Group of Company established in 2014 with a great vision & high values along with the aim to deliver the best services in the industry.

The aim, & vision is fulfilled with the highly experienced team of technical experts & the creative thinkers. Design Max Interior LLC Group of Company is an Award Winning interior design company whose main aim remains true to the initial purpose of creating quality customized living and working spaces.

The Design Max Interior LLC Group of Company portfolio includes executive offices, residential areas, schools, museums, hospitals and banks. Our purpose is not limited to design though.

We are also involved in developing smarter office and living spaces - spaces that speak to us intelligently by making use of new technology. This is our contribution to a smarter planet.

GENERAL INFORMATION:

Company Name: Design Max Interior LLC Group of Company

Professional Registration: 901320

Date & Place of Issue: 20-July-2014, Sharjah

Head Office: P.O. BOX-48276, Muwailih Commercial, Sharjah, UAE

ABOUT US:

Design Max Interior LLC Group of Company established in 2014 with a great vision & high values along with the aim to deliver the best services in the industry. The aim, & vision is fulfilled with the highly experienced team of technical experts & the creative thinkers.

Our assets, our team is the group of most experienced & proficient people who are at par in their skills, domain knowledge, & dedication towards the work & client satisfaction.

At Design Max Interior LLC Group of Company, we follow a working model where our team of experts ensure the quality of work at every stage of work i.e. from the initial, in between, at completion, during the delivery, & after delivery maintenance.

At Design Max Interior LLC Group of Company, the client can remain assured that their project is in the hands of a highly experienced team of managers & extremely dedicated team of creative thinkers who treat the project allotted to them as their baby and completes the project with the same fashion as a mother nourishes her child with the love & care.

Our experienced team of managers, engineers, supervisors, tradesmen, & draftsmen ensure to meet every expectation of the client associated with the project. At work we ensure that we follow all the professional & international standards associated with the work with the complete loyalty.

MISSION STATEMENT:

To achieve an honorable name & fame in the market & amongst the customer with the quality work & the highly satisfied customer base.

We believe that, to grow it is necessary to upgrade oneself.

Our designs are aimed to create a pleasant & fascinating environment for its viewer while working on the commercial & residential projects.

Thus in the coming time it's our mission to upgrade our skills, techniques, & technology as per the global market & demand.

VISION STATEMENT:

We strongly believe that sustainable development & the development which is friendly for the environment should be incorporated in the working practice.

We have achieved it at a level & looking forward to take it to the next level.

SAFETY (ENVIRONMENT HEALTH & SAFETY POLICY):

At Design Max Interior LLC Group of Company we are committed towards the safety of every individual present on the site & office.

We ensure to provide a safe working environment for all our employees, project staff and we consider it as our moral, social, & legal responsibility.

The commitment to protect people and property also extends to ensuring company's operations do not place the community at any risk of injury, illness or property damage.

QUALITY CONTROL SYSTEM:

At Design Max Interior LLC Group of Company, we have a dedicated team which ensures that a keen quality control check is applied on every activity performed.

Every project which we work on under comes this Quality Control System where every project is administered & managed in accordance with their requirements.

A timely review is done in the presence of a senior Authority, where they suggest any amendments if required.

POLICY STATEMENT:

To achieve this, the undersigned & all key personnel shall:

Adopt a risk management criterion which is in accordance with the nature of tasks and activities.

Maintaining and practicing safe workplace habits, plant and systems of work;

Considering the environmental aspects of any work activity with equal value to commercial and quality aspects.

Following the defined EHS laws and regulations defined for the type of operation.

Support the identification of environmental impacts in work activities.

Ensuring no accidents, incidents or activity hurt by identifying hazards and assessing risks.

Make sure that all members of the senior management have the prime responsibility for health and safety and they demonstrate this obligation through their actions.

Encourage the reporting of unsafe acts & conditions and therefore actions to enhance performance.

Do their best to attenuate the environmental impact of our activities by preventing pollution and minimizing waste.

Investigate all events wherever injuries, damage to property or the environment has occurred including all near miss incidents where there was high potential to cause injury or damage.

Providing and maintaining safe workplaces, plant and systems of work;

Providing info, instruction, training and supervision to confirm safe systems of work;

Ensuring that nominated safety personnel are adequately trained and supported;

Consulting and cooperating with health and safety representatives, workers and others; providing and maintaining personal protective equipment as required; and continuously reviewing and improving its safety performance.

All people working within the company have an obligation to follow these principles fully.

By doing so, we create a working culture that continuously strives to improve environmental performance and a working environment where harm is reduced to a level, which is as low as reasonably practical.
