First Construction Company
شركة الشهيد الأولى للمقاولات

First Construction Company (FCC) is a newly established contracting company which specializes in Design and Build contracting services.

FCC is a Joint Venture between two respectable and highly reputable organizations; AWN Enterprises and AlBassam Group of Companies, where this new professional contracting company will be a great example for the excellence of its founding partners and a continuation of their legacies which can be channeled through its existing and new clients by providing the quality and high standard that they are looking to achieve for their projects.

MISSION

Attracting the most talented team in the field who will successfully accomplish creative fit out projects within the favorite work environment.

VISION

To become the all time preferred fit out contractor in Saudi Arabia and the trend setters of our field.

OUR VALUES

Fairness
Obligation
Reliability
Creativity
Ethics

DESIGN & BUILD

Managing the project from the issuance of the IFC drawings until handover including all disciplines of contracting as a turn-key solution delivered by our skilled creative fit-out team.

MEP

The MEP is a crucial service that affects the value and efficiency of the project where our MEP team excel at the 1st, 2nd and 3rd fix of MEP installation through our widely spread renowned and approved suppliers who meets our and client's expectations.

JOINARY

As we are always looking to expand our scope by utilizing our creative team, we are investing in providing Joinery services fabricated to the needs of our client's unique designs.
