

IFIGURE INTERIOR

FIGURE

IFigure Interior founded in 2011, has grown substantially in the interior Design field following a series of successful projects completed for a range of clients as one of the fastest growing service. Offering all kinds of; Interior design, Landscaping, and Architectural studies and Execution projects. Our team joins the finest architects, interior designers and mechanical engineers that can handle perfectly wholesome projects and execute them from A to Z.

Combined with our sister company in Lebanon, A&D-"Architecture and Design", that has been working and executing large scale projects all over Lebanon, Middle east and Africa for 20 years now, our vision is to broaden our scope of work into the UAE dealing with all types of residential and public spaces.

For 20 years the interior Architect Doumith .G. Kamel, has been running this firm with lots of artistic talent and technical experience. He has been elected one of the top architects and individual; among Lebanon according to the book "Rouwad Min Loubnan". In addition to the awards that has been obtained pertaining to the professional and precise aspect of our company. For a brief portfolio of our work has been put on cover for more than 20 magazines in the Arab world as, Snob al Hasnaa, Laba magazine, World of Decor, Little Time, Look decor, Motif, Moda Style, Lebanese Wings, World Lebanese Cultural Unions, and many more; along with many TV and Radio interviews.

VISION

To broaden our scope of work into dealing with all types of residential and public spaces. As artist and designers, we are always pleased to work with optimum precision to deliver best and high qualities. To illustrate our talents through space.

MISSION

IFigure Interior is dedicated to providing complete design services, which exceed the expectation of clients committed to achieving a professional, signature interior for their home or business. IFigure Interiors shall seek and promote quality relationships with professional contractors.

Our vision is always to illustrate our talents through space. As artist and designers we are always pleased to work with optimum precision to deliver best and high-end qualities.

STUDY

DESIGN

EXECUTION

PUBLIC

We have lot of public projects to showcase. We have done a range of Government projects in Ras Al Khaimah. Here are some major projects of iFigure Interior.

AL HAMRA CONVENTION CENTER

One of our latest projects, Al Hamra Convention Center. The design is most modern with a blend of luxury. The project consist of VIP Majlis, Ballroom. The black blend give a unique feeling of luxury.

RAK MEDIA OFFICE

RAK Media Office, one of our prestigious project, is designed by Swiss Beareau Interiors. We coordinated and executed the project on fast time phase. The wood works are done by our sister company Al Taameer wood and decor on our supervision. Each phase of the project is executed by well co ordinated and fast team of iFigure Interior. Our reward is the satisfaction of our customer.

AL HAMRA GOLF CLUB

Al Hamra Golf Club, our new project is in Jazeera. The interior is over the top with a dash of rose gold on black, especially at the ladies sitting area, this gave our design a new definition to simplicity and elegance. We tried to bring a fine blend between aesthetic and sports in this project.

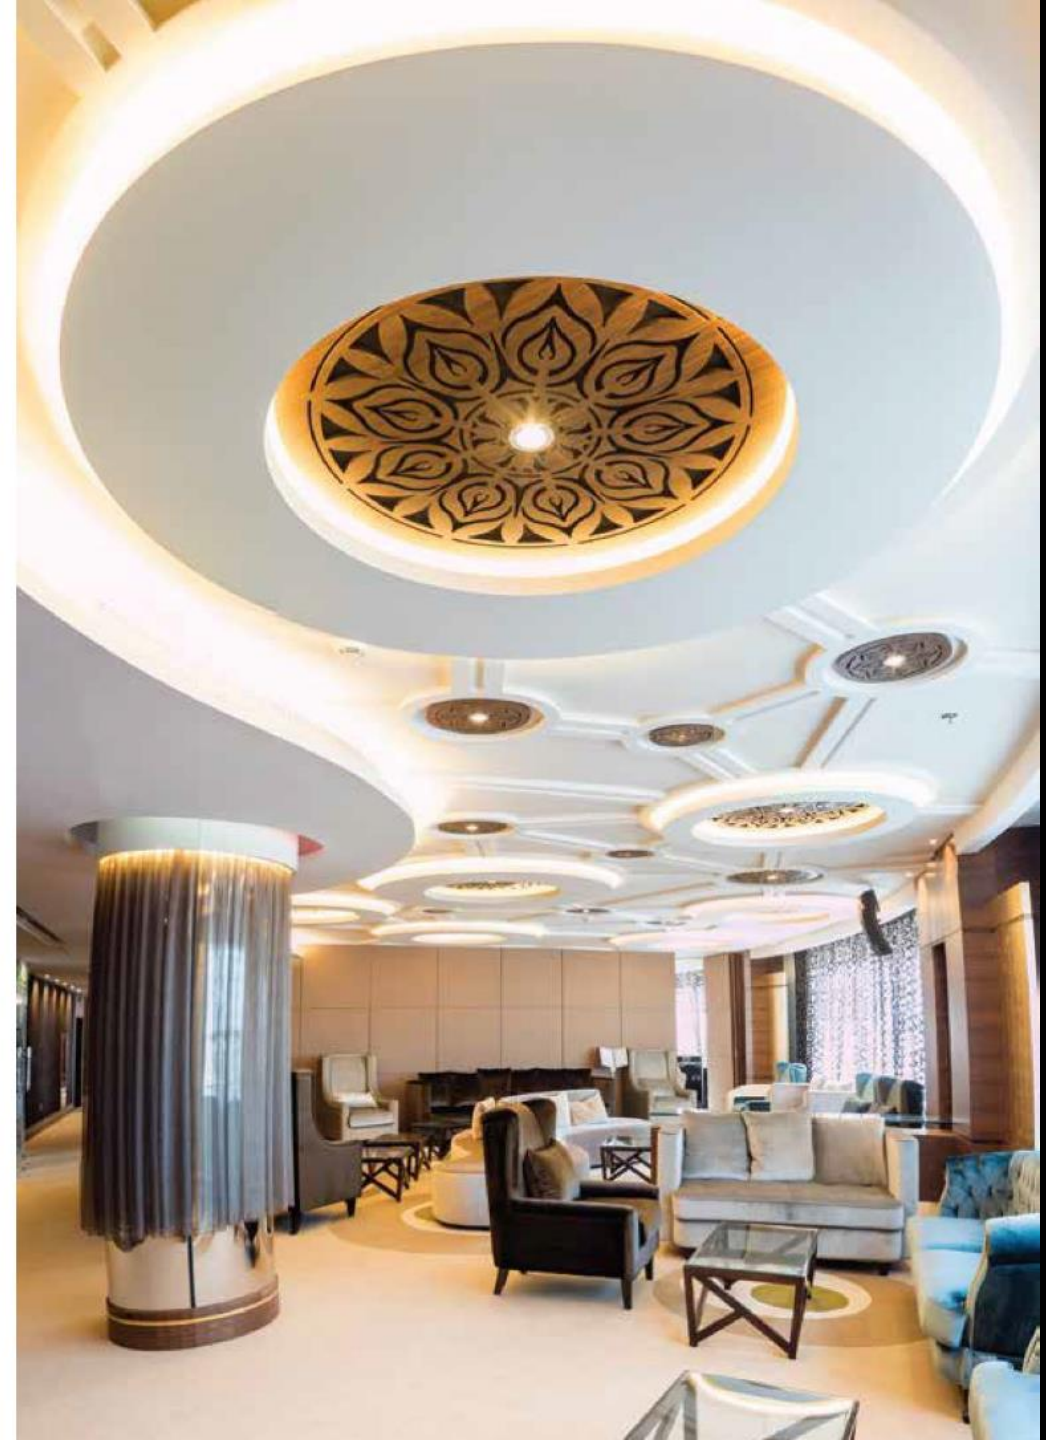

One of our Governmental projects in Ras Al Khaimah, RAK Municipality building, that carries the most modern concept of interior design in town. The space was designed in a way that combined the modernization and elegance at the same time. Our scope of work covered every detail of design seen in the building including furniture, decoration, lighting, flooring, glass doors, partitions and the wooden work as well.

RAK CHAMBERS OF COMMERCE

The project is a keen blend of modern design and classical motifs finalized with an imperial touch. The ceilings of the sitting and conference areas are designed with a highly delicate leaf motif carved with wood to add elegance to the space. Moreover, the chandelier in the space contributed to its unique look. The client invested its extreme effort to convert the place from empty halls to a living space that precisely complete the proposed idea.

RAK DATA CENTER

The project consists of modern design.
We proposed several types of ideas to convert it into a new type of space.
We started from the site analysis phase and with proper documentation a
proposal was generated which was later on executed well with complete supervision

PRIVATE

We have lot of private projects. We outstand here with the ability to co ordinate with clients and amaze them with our idea of both technical and art. Here are some major private projects of iFigure Interior.

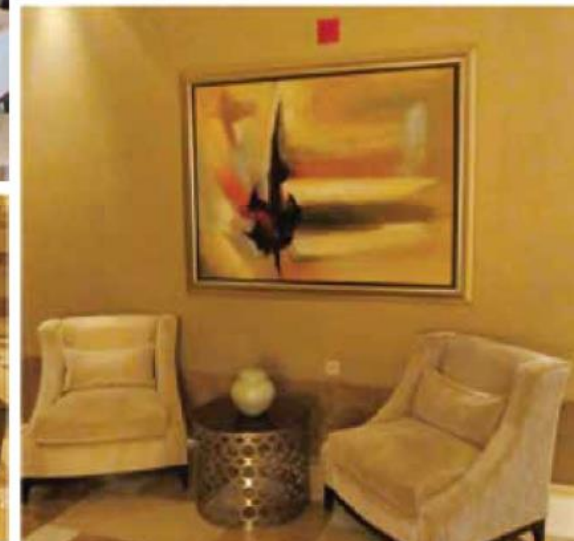

AL TAAMEER HEAD OFFICE

This office project specifically modern classic design with an imperial touch.
Conference ceiling and wall are CNC designed panel adding elegance for the space.
Our design and concept touches can see all among the work

ST. REGIS HOTEL

Supply of loose furniture for the public areas including lobby, all day dining area, spa, ballroom, corridors and others. Supply of furniture for the presidential suites, which were ranked among the top presidential suites worldwide. This project also included the hotel restaurants: Sultan Ibrahim, Hakkassan, Astor Grill and Gordon Ramsay. Each of these restaurants required a different design to meet its own concept. The products included service stations, tables, chairs, consoles, and others.

RITZ CARLTON PROJECT

This project consisted of designing, manufacturing and installing all woodwork for this pub including bar, shelves and service stations as well as tables and chairs.

KEMPINSKI HOTEL

Supply of all loose furniture for public areas, guest rooms, presidential and royal suites including but not limited to beds, night stands, dressers, luggage racks, desks, chairs, tables, sofas, consoles, mirrors, and others. Many items in this high profile five star hotel included stainless steel work and mother of pearl inlay.

RESIDENTIAL

We have done many residential projects so far. We keep mastering in interior design by giving clients unique ideas and absorbing the likes and dislikes of our clients, so they are always amazed to work with us. Here are some of our residential projects.

PRIVATE MAJLIS

The majlis design is specifically classic interior theme ceiling of majlis and dining are fully design with mirror with chandelier inspiring to luxury interior.
The interior space used classic colors which are giving elegance for the space.

PRIVATE MAJLIS

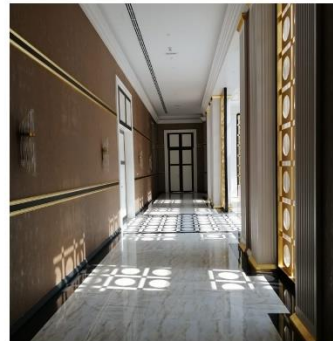

The interior of this majlis is designed in an artistic classical theme. To reflect the classical look, the spaces were decorated with stylish and elegantly arranged furniture to give it the uniqueness among other majlis in the area.

PRIVATE VILLA

The interior of this villa is designed in an artistic classical but with a Arabic twist theme. To reflect the Arabic look, the spaces were decorated with stylish and elegantly arranged furniture to give it the uniqueness among other villa in the area.

PALACE PROJECT:
