*about us*

# FLOOR EXPO

Floor Expo was established in the year 2005. Since then we are able to tirelessly provide professional flooring installation across the United Arab Region.

As a matter of fact, Floor Expo is associated with the world's most known high-quality floor covering products in order to give the complete flooring solutions. In our years of service, we ensure the quality of materials and services which resulted to outstanding and excellent end-product. Our company, has grown up to become one of the top flooring specialists in the region because of the quality service and expertise that we offer. The products that we offer are manufactured with exclusive features and expertise which ensures the longevity flooring installed. We are recognized for consistency with regards to high quality products that offers a variety of choices at a very competitive price. Floor Expo sets new flooring standards that incorporates aesthetics with quality that lasts a lifetime.

We at Floor Expo encourages you to explore the world of timeless elegance made from meticulous craftsmanship which incorporates personal taste with nature-inspired products handled by experts.

# HOMOGENEOUS VINYL

Armstrong Flooring presents the safest, most durable, commercial-grade vinyl that is perfect for aseptic areas to prevent contaminations that provide long-lasting anti-bacterial solutions.

You can choose from an array of colors and prints depending on your interior design requirements. The design and the quality are combined to harmoniously serve its purpose for flooring that serves its purpose.

---

Sophisticated Designs that meets long-life performance. It has a unique feature which makes it's quality outstanding; Diamond 10 coating, protects the color, the quality and supports the performance of the vinyl sheet

# Laminate Wood

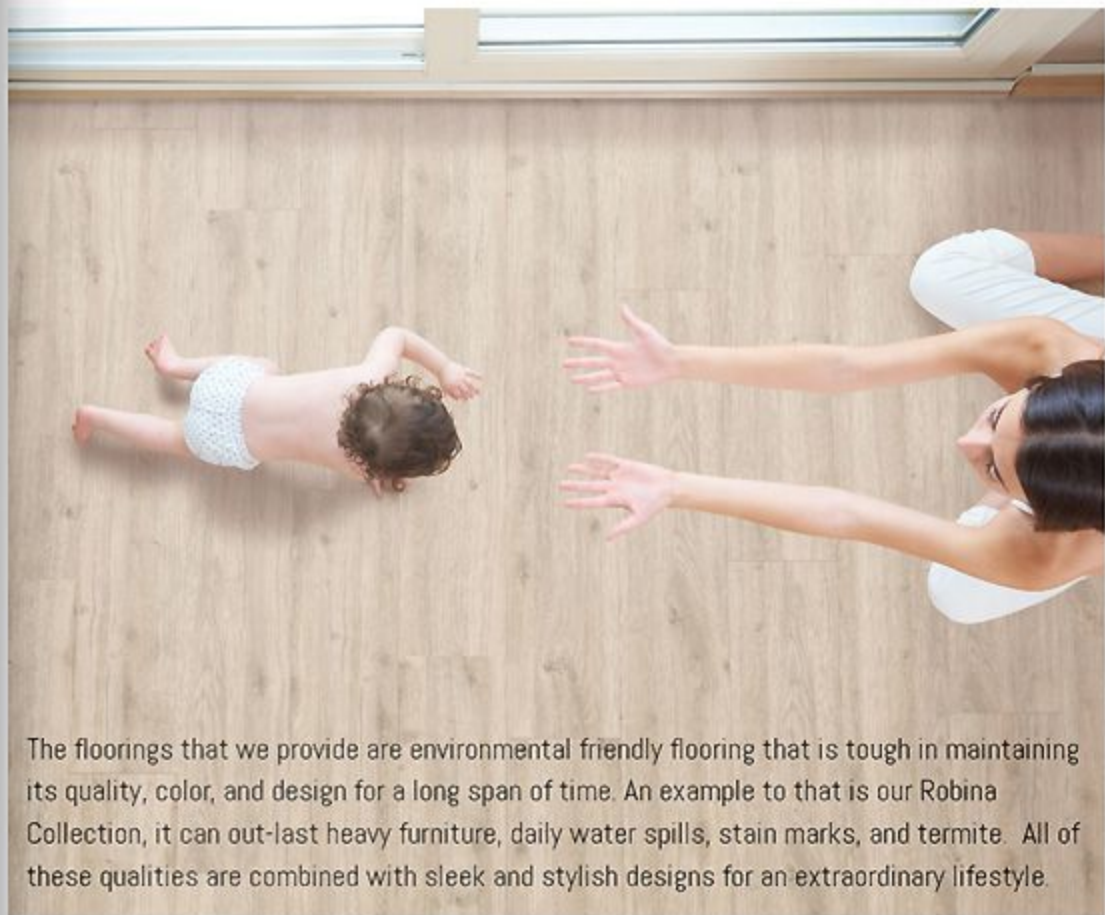

Robina Flooring **A11**

Robina flooring offers light-weight, sturdy and beautifully made flooring with a quality that can surpass the general commercial environment.

Robina Flooring **AS21**

The floorings that we provide are environmental friendly flooring that is tough in maintaining its quality, color, and design for a long span of time. An example to that is our Robina Collection, it can out-last heavy furniture, daily water spills, stain marks, and termite. All of these qualities are combined with sleek and stylish designs for an extraordinary lifestyle.
