

The DESIGN, BUILD and FURNITURE Specialists.

Your trusted partner in workspace and interior solutions
operating in the UAE since 1984.

WHO WE ARE

About Us

Founded in 1984 as a family business based out of a small flat in the Tourist Club area in Abu Dhabi, Gemaco Interiors' start was a humble one. Since then, Gemaco Interiors has established itself as a prominent organisation with over 3 decades of expertise and an extensive list of satisfied clients for design and build, turnkey projects.

*We have built over
700,000 sqm of
workspace with 95%
client satisfaction rate.*

Acquired in 2014 by a leading Emirati investment group, Gemaco is now known as the leading design and build service provider and reputable furniture supplier in the UAE.

OUR PROMISE

Our Mission

Create beautiful, functional and human-centric spaces that enrich the lives of the people that inhabit them.

Our Vision

We intend to expand by delivering timeless design solutions.

We will continue to provide our current and future clients with excellent value and unrivalled customer service.

A background image showing three business professionals in a meeting. A woman with glasses and a dark blazer is on the left, smiling. A man with glasses and a light blue shirt is in the center, gesturing with his hands while speaking. Another man in a dark suit is on the right, listening. They are seated around a white table with a laptop and some papers. The background is bright and out of focus.

Our Quality Assurance

Having operated at International standards since our inception in 1984, we took the initiative to formalise our commitment in 2012 through Integrated Management System for the following ISO standards: 9001 Quality Management System, 14001 Environmental Management System and OHSAS 18001 (ISO 45001 Occupational Health & Safety Management System). Formalising our commitment to following international best practice reaffirms to the market and our staff that, as a company, we prioritise the interests of all stakeholders. We have also registered our Occupational Health & Safety Management System and Processes with Abu Dhabi Environmental, Health and Safety Centre. The EHSMS Regulatory Framework has been developed to outline the structure to be adopted and requirements to be met by entities seeking to establish an EHSMS.

Our Quality Standards

- 100% Client-focused on every project
- Enhanced customer satisfaction
- Thrives to exceed customer expectations
- Clear communication
- Project Induction
- Hazard and Risks Identification & Mitigation Measures
- Safety trainings & HSE Control
- Inspection and Test Plans
- Close monitoring of projects
- Non-conformity plans
- Emergency preparedness
- Continuous improvement process
- Final inspection and checking/snag works
- Project close out and review
