Who we work with

Certifications & Licences

Who we are?

Established in 2003, Green Dream Agricultural L.L.C focus on providing flexible and cost-effective solutions based upon the diversified specialised services which are totally run through our in-house capability.

At Green Dream we provide a full range of landscaping services which are delivered through qualified management and operations team.

We take pride of working with many customers supporting their Landscaping services division in maintaining a high quality of services which has increased their employee engagement and enhanced their wellbeing in the workplace.

Vision

‘’To be the industry leader in providing efficient Landscaping solutions to clients through experience and efficiency underpinned by Compliance’’

Mission

‘’ Enable our customers to focus on their core business while we take care of their workplace experience, safety and the lifecycle of their assets’’.

CEO's Statement

"At Green Dream Agricultural , We all stand behind the results with the main target to provide our customers with a safe and secure environment enabling them to focus on their core business while we take care of the rest.
We are small enough to care, big enough to deliver."

Hasan Al Omar
CEO

Why we are different?

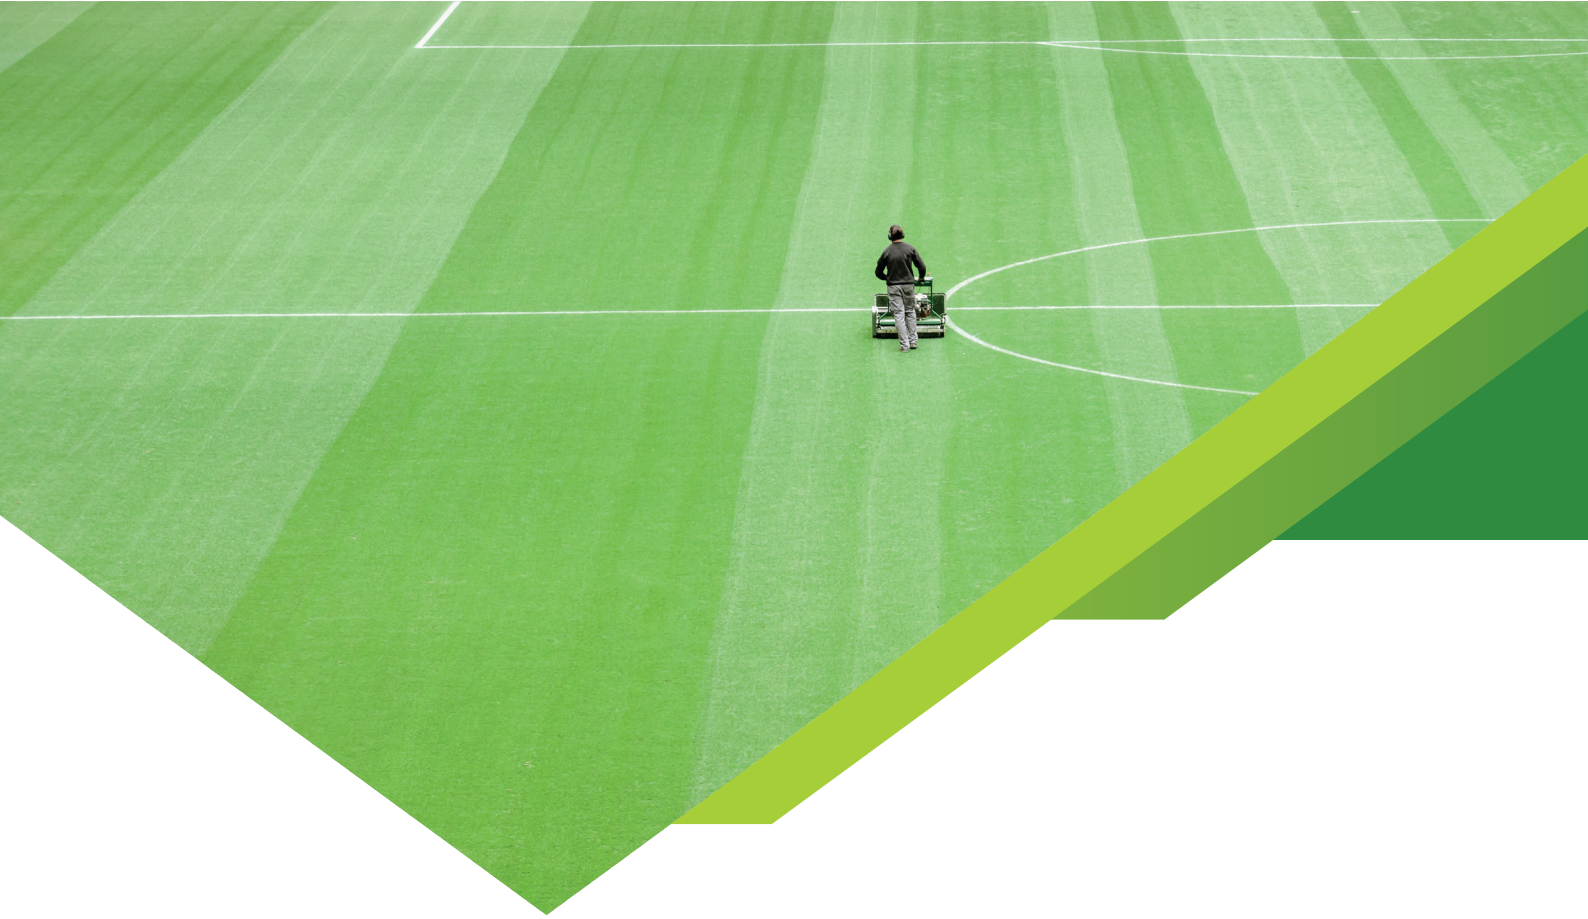

Our Health & Safety culture in addition to our training plans allow us to render an exceptional service in accordance with the industry best practices and in compliance to the local laws and regulations.

We invest massively in our staff training and wellbeing, and this helps us in mobilising successfully and achieving a steady state operation at our client facilities in a timely manner.

Our Quality control team functions across the lifecycle of each contract to ensure the standards are met and our promises to the client are fulfilled.

Our vision is to always have a safe operation. We do not tolerate any unsafe practices and we ensure that our people, our clients and our community do not get harm due to work we do.

We are committed to promoting the wellbeing and health of our people. We believe that healthier employees are happier employees and that what drives our operational excellence.

Core Values

Safety First. No Tolerance	Agility	Service Excellence	Integrity	Commitment to each other
No compromise on the safety of our people, our clients and our community.	We challenge the status quo with open minds, focus, and speed.	Experience and eficiency nderpinned by compliance.	Always do the right thing	Empower our talents and support each other.

Vision

''To be the industry leader in providing efficient FM solutions to clients through experience and efficiency underpinned by Compliance''

Mission

'' Enable our customers to focus on their core business while we take care of their workplace experience, safety and the lifecycle of their assets''.

1- Core Services

Landscape Designing

For every project, Green Dream gives personal attention and personal services to its client so that the project is completed to their satisfaction. Green Dream ensures that before any work is done, we have a clear and thorough understanding of the needs and budget of the client

Irrigation System

We can design and install a custom irrigation system for your garden, taking out the hassles involved with watering your green areas. Our company also maintains all the systems we installed, so you can rest assured that we will be there for years to come to maintain your system after its installation.
We design and implement manual and automatic Irrigation system as well as repair and upgrade the existing one.

Soft Landscaping

The plants and trees we suggest are those that we feel will best meet your requirements and make your garden look at its best with optimal maintenance needs. Green Dream not only executes your garden design but also specializes in designing & planting all types of rock garden, turf laying and shrubs & trees.

Hard Landscaping

We specialize in all types of hard Paving for Patios, Paths and Driveways and many different paving slabs. Construction of all types of brick work, out buildings, barbeques, outdoor fireplaces and dry-stone walling. We also supply different step stones and stamped concrete work, and lighting features, Decks and fencing, Water features, & Garden furniture, Water Features Pergolas Paving.

Garden Maintenance

Green Dream LLC offers a full range of garden services for both commercial & residential. We do all types of garden maintenance from fertilization to weeding & mowing on all sizes of gardens.
We ensure that all work carried out is to the highest standards, meeting the needs and requirements of the customers at all times.

Indoor Plants & Planters (Maintenance & Supply)

Green Dream offers professional Indoor plants maintenance and indoor plants caring advice.
We are a solution-oriented company and your needs are our greatest concern. We guarantee to keep supplied plants healthy looking all the time and we give 1 year replacement guarantee for indoor plants supplied by Green Dream.

Plants Nursery

Green Dream is highly capable of erecting and maintaining effective greenhouses meeting the needs and requirements of the client. We can offer advice the most suitable size, color, materials and the best site and orientation of the greenhouse

Turf Management

Healthy lawns are more than a product of fertilization and weed control. Proper mowing and trimming will avoid scalping the turf or disturbing the soil-which can lead to weed issues.
We understand UAE's soil issues, weather and environmental conditions. With that knowledge, our crews provide expert mowing services that coordinate with your fertilizing, weed control and irrigation programs.

Agricultural Tools & Equipment

The Green Dream Agricultural Company LLC supplies the finest agricultural requirements according to international standards, including:

- Plants
- Fertilizers
- Potting soil
- Agricultural sand
- Pest Control Chemicals
- Garden tools & machineries

Waste management services

We are here in Green dream can provide your farm with agricultural waste management solutions, in order to protect your business, your workers, the public and the environment from hazardous agricultural waste.
