

Idea and Art Decoration is a professionally managed company started in 2007 which has been in the field of Interior Design Decoration, Project management, Service integration for over 9 years. We provide interior design services for commercial as well as residential projects.

We take this opportunity to introduce ourselves as the leading interior designers for Interior Decorations and its fit-out works. We have a team of experience interior designers, Workers who are well conversant in carrying out all types of interior, joinery, paints and service related works.

We offer a wide range of interior design & architectural services which include structural glazing, skylights, shower cubicles, glass partition, wall cladding, glass brick works and all types of ceiling and coordination of the entire project. Our designer work experience includes large corporate, we executed, offices, shops, restaurants and café shops, recreational facilities like flats/villas etc.

IDEA AND ART DECORATION aims to provide its client the best and professional service which represents a good value for money. With a vision to practice and display the highest degree of professionalism and punctuality, we strive to exceed client's expectations. We compete with ourselves, instigating continual improvement of standards in self and industry.

The Company is essentially a design consultant, specializing in interior decoration work and implementing various projects.

We request your good selves to visit our website www.ideaart.ae for details about our company.

Given below is the list for some of our prestigious projects we have completed.
