ABOUT US

“

We like to work across different scales. At any given point, our studio is simultaneously diving into the interior design of a project, curating the experience, and development on master-plans.

LBO STUDIO
Is a Luxury, Interior Design Company based in Dubai/ London. Our key role is to create luxurious, tailored spaces for our clients withhigh-quality 3D renders and high-end executed Interiors. We’re committed to having competitive prices, services with stunning results!

The Golden Ratio, the derivative for our name and logo, encompasses the drive our team has for “creating aesthetic perfection”. LBO STUDIO is now recognized as a multiple award-winning Interior Design
Company.

PROJECTS

Our mindset is not problem-focused, it is solution-focused and action-oriented towards creating a preferred future.

CHARLIE CHAPLIN RESTAURANT

INDUSTRIAL

EXTERIOR

A historical concept that evolves around Charles Spencer Chaplin's character and its incorporation into the design elements, atmosphere, and environment have been displayed in the new Chaplin Restaurant Design. The idea for an ambitious, large-scale restaurant dedicated to Charlie Chaplin and his life's work came to life in 2021.

CHARLIE CHAPLIN RESTAURANT

CHARLIE CHAPLIN RESTAURANT

The restaurant was designed by LBO Studio Team of Architects and Interior Designers. Its design is for everyone’s taste while giving a joyful vibe and good atmosphere. Its cozy design adds to its value and differentiation from other restaurants.

CHARLIE CHAPLIN RESTAURANT

CHARLIE CHAPLIN RESTAURANT

The Lighting Design has a strong effect on the unique elements that are focused on the beauty of the overall design. The materials and items used in The Design have a strong effect on reflecting the mood, harmony, unity & rhythm.

CHARLIE CHAPLIN RESTAURANT

CZN BURAK

MODERN

Burak – Tile Supply
Czn Burak, one of the Middle East's most well-known cuisines, approached LBO Studio to create one-of-a-kind, handcrafted terracotta tiles. The restaurant is in The Downtown-Dubai. Dubai's busiest district. Our handcrafted tiles were customized to Czn Burak's specifications and installed in the kitchen and main bar area. In order to create a large tile with a design that depicts Mediterranean cuisine.

CZN BURAK

CZN BURAK

MODERN

The tiles were handcrafted with the finest materials, honed and perfected by artisans using an ancient tradition passed down over generations. These intricate geometric handcrafted terracotta tile masterpieces, which have been passed down from generation to generation, can only be created by exceptionally talented craftsmen.

CZN BURAK

FLEUROLOGY

MODERN EXTERIOR

A space that serves for both a Flower Shop and a Cafe was designed by LBO Studio Team of Interior Designers and Architects. This beatiful design emphasizes organic vibes and creates an ambience that will keep an impression close to the heart. Its design allows you to sit and enjoy the Natural Environment filled with wooden and flowery meadow inspired elements.

FLEUROLOGY

MODERN INTERIOR

The added flower, stone and wood characteristics enrich the design with a slight use of wall paint color and Natural Stone Layers to achieve harmony. The functionality and space-saving have been achieved through careful analysis and the design of the Flower Shop and Cafe. The main source of inspiration in this Design was used from a Prohodna Cave in Bulgaria and Santorini Architecture of which both have been reflected in the Design.

VENDOME

INDUSTRIAL

VENDOME

An industrial-artistic concept has taken place, an exposed brick walls, metal, wood, pipes and ducts, a touch of vintage & antique pieces to create a warm and natural environment and to give the rustic feel, we created the feeling of raw elements.

LA SPIAGGIA

MODERN F&B

Collectively, the main activities come together to achieve the goal of Entertainments. A lot of activates is connected to the place and we have just a good place to have an awesome activates, some of this activates is memorable, entertaining, social, artistic etc.

LA SPIAGGIA

LA SPIAGGIA

We used the hexagon shape to get one of creative, distinguishable and memorable experiment to try when you will be into the space, you feel like you are in the middle of cove which taking you beyond your feelings. Also connecting the lighting system in the ceiling with the music giving dynamic feeling to the audience which make them in a different mode matching with the place.

LA SPIAGGIA

LA SPIAGGIA

PANIFICO

MODERN F&B

The best way to treat the working environment in media city with quick snacks and sandwitches is also to create for them a cozy place to work, take a break and zone out!

PANIFICO

TRYP BY WYNDHAM

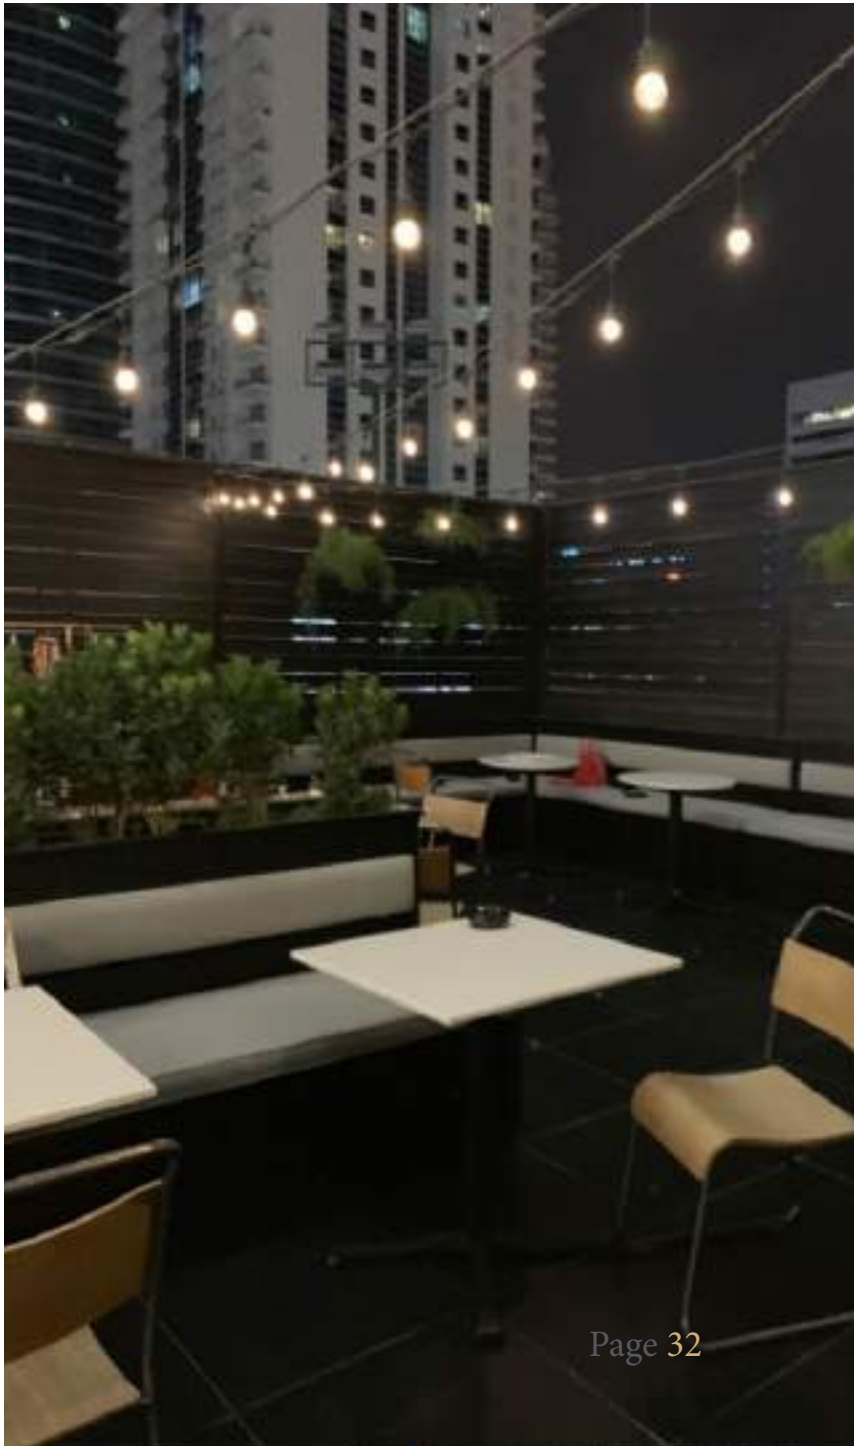

MODERN F&B

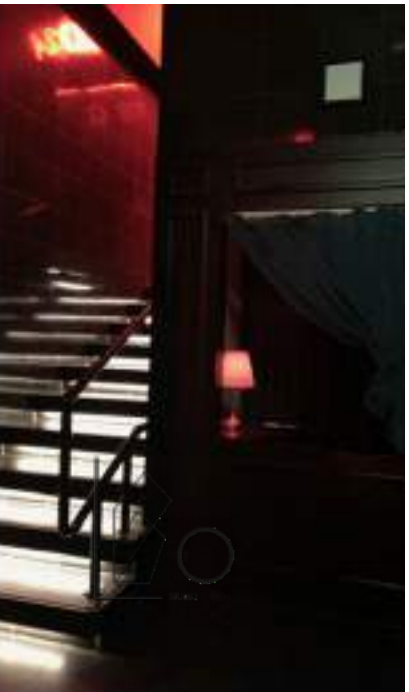

THE PROJECT'S GOALS WERE TO RENOVATE THE MAJORITY OF THE AREAS IN THE HOTEL; RECEPTION, RESTAURANT, OUTDOOR CAFFEE, CORRIDOORS AND MORE THAN 500 ROOMS IN THE FIRST CENTRAL HOTEL APARTMENTS IN TECOM. MEANWHILE KEEPING AS MUCH AS POSSIBLE OF THE PREVIOUS IDENTITY.

MANOUSHE STREET

MODERN F&B

MANOUSHE STREET CONCEPT DESIGN WAS EVOKED FROM A CULTURAL LEBANESE IDENTITY. IT'S MAIN GOALS WERE TO REFLECT THE ORIGIN OF LEBANON'S OLD STREETS, IN ADDITION TO THE WAY WOMEN BAKED PASTERIES AND SOLD IT TO THE NEIGHBORHOOD. THE WHOLE EXPERIENCE AIMS A COMBINATION OF A HOMY FEELING AND NOSTALGIA EXPERIENCE FOR THE END USERS. HEIGH-END MATERIALS WERE ELECTED VERY ATTENTIVELY TO TRANSMIT AN ECHO OF THE LEBANESE PROSPEROUS CULTURE.

RAMP

HERMÈS

A dream can include any of the images, thoughts, and emotions that are experienced during sleep. Dreams can be extraordinarily vivid or very vague; filled with joyful emotions or frightening imagery; focused and understandable.
So while we all dream, what do psychologists have to say about why we dream?

HERMÈS

What is a Dream
Dreams have fascinated philosophers for thousands of years, but only recently have dreams been subjected to empirical research and concentrated scientific study. Chances are that you've often found yourself puzzling over the mysterious content of a dream.

HERMÈS

SKETCHES

HERMÈS

Our creative approach is to contribute to the Hermes theme of the year "The Game" by remembering the memories we had as a child while playing and how it keeps a positive impression in our subconscious mind even as adults.

HERMÈS

BLOOM FAIRY FLOWERS

MODERN RETAIL

It was our responsibility to create an innovative and noteworthy Interior and Exterior Design, fueled by our client's passion for flowers and enthusiasm for nature. One of our team's goals was to create a unique flower shop design that was both cost-effective and space-efficient. Our design incorporates special concrete finishes as well as polished brass metal accents.The presence of a visual path guides the eye through the design while also establishing the design's structural framework. The visual effects of interpreting the neutral but vibrant choices on the object's surface can be seen.The aim was to modernize the existing spaces and give them a more natural feel, all while ensuring that the Flower Shop will meet today's demands and become a destination in its own right.

BLOOM FAIRY FLOWERS

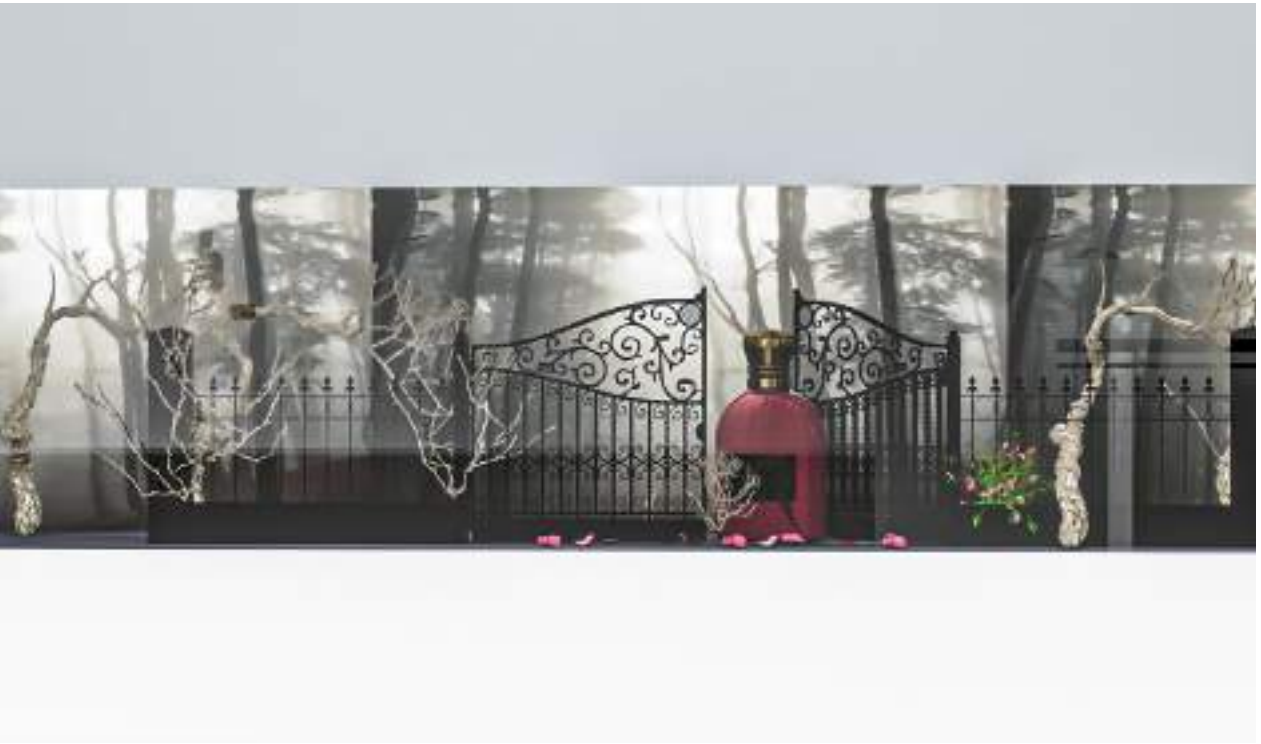

EMIRATES PRIDE

MODERN RETAIL

The Design is inspired by mystery, to achieve the concpet of Mysterious Rose Perfume, dark colors, wood and roses played a great role in delivering the mood.

BLUE HAUS GROUP

MODERN CORPORATE

The main design promises environments that improve productivity and encourage innovation. Designers have invested a lot in research to better understand the drivers behind creativity, teamwork, and physical well-being. They are targeting a healthier environment and heightening positivity for the end-user. It allows technology, form, and function to come together to enable a seamless experience. Office design is so crucially important to the success of the company, it's well worth consulting professionals to get it right.

MARINA APARTMENT - EMAAR

Minimalist and contemporary design has grown in popularity as a design concept and way of life over the years. An Apartment in Dubai Marina designed by LBO Studio Team of Interior Designers emphasizes minimalism and modernism.

MARINA APARTMENT - EMAAR

MARINA APARTMENT - EMAAR

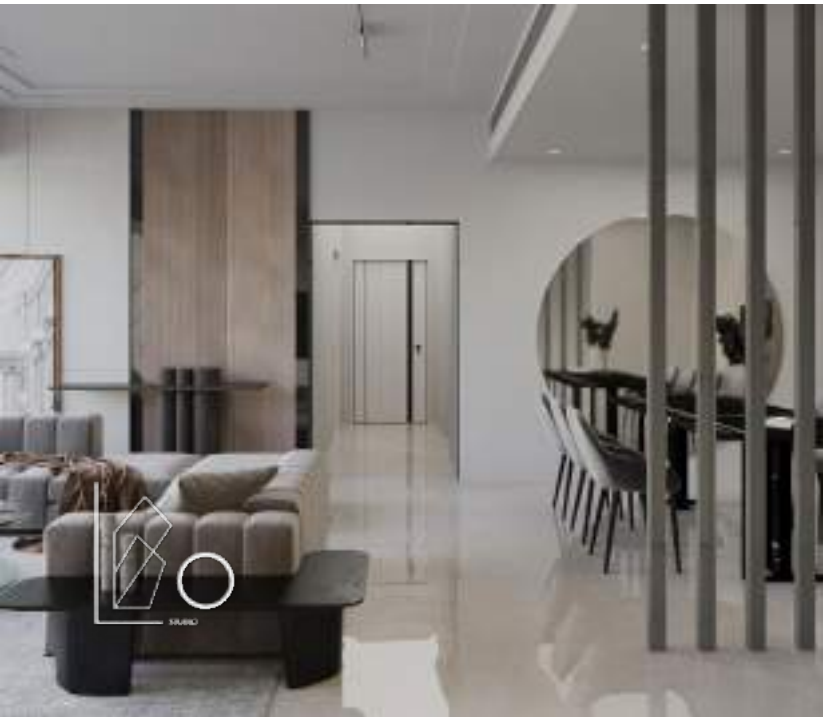

Our Design's main objective was to achieve a better design by focusing on shape, space, materiality, detail, and color. As a result, the walls were painted into concrete finishes and items were to be bare essentials that create a simple and uncluttered space. Another aim was to highlight space and establish a contemporary and rustic decorating style that emphasized simplicity, subtle elegance, deliberate texture usage, and clean lines. The design embraces rustic charm andcomfort while incorporating modern amenities such as an open floor plan, modern furniture, and exposed and maintained natural architectural elements. The color scheme is plain, and the wide windows let in plenty of natural light.

CONTEMPORARY

THE PALM APARTMENT

The ultra-modern and artistic touch of this contemporary apartment, designed by LBO Studio, results in a space that is luminous and innovative. The addition of marble and wood enhances the style, which is further enhanced by the use of a subtle wall paint color and paintings to create coziness and unity.
The functionality and space-saving have been achieved through careful analysis and the design of the apartment. The living and dining areas were the main focus of the design, which was done in accordance with the clients' wishes. Space subtly puts forth the idea of luxe with a color palette of neutral colors that includes white, brown, black, and gold, making it match perfectly with the place. The Design incorporates modernism and maximizes space use, making it both cost and space efficient.

BARSHA VILLA

MODERN

The design of Barsha South Villa features warm browns, beige, and gentle grays. The rustic design blends seamlessly with contemporary elegance and creates a serene atmosphere. The touch of organically grown wood interior creates a calming ambiance. It promotes a sense of serenity and harmony, as well as lowering stress and enhancing beneficial social interactions.The design incorporates a modern aesthetic with a hint of opulence.

The predominant colors that run through the Barsha South Villa's design are neutrals, black, and white. A marble-like piece of Natural Stone Layers has been put to the bare space on the walls.Each object, piece of furniture, and accessory used in this design is distinct and one-of-a-kind.The furniture makes a strong statement while remaining basic and clutter-free. The use of smooth, clear, geometric shapes was essential in this design.

AL BARSHA VILLA

Changing the space from old and dull area, to a viberous and active design, integrating wood, natural stones and neutral color palate with light effect has changed the whole space’s concept.

AL BARSHA VILLA

DAMAC HEIGHTS

This residence in Damac Heights was created by a team of interior designers featuring dark colors and a minimalist style. Industrial furniture and items in this design use a fundamental blend of rustic wood, exposed metal, and raw materials. Our design team used an "unfinished" style to give the apartment an industrial feel.

RESIDENTIAL

MODERN

DAMAC HEIGHTS

DAMAC HEIGHTS

For a grounded look, earthy elements of the rustic style are mixed with a clean-lined modern design in the Damac Heights Apartment. Rustic décor is typically heavier, darker, and less sparse, therefore, combining the two styles resulted in something medium dark while remaining incredibly natural.

DAMAC HEIGHTS

The color scheme leans mainly toward neutral, yet leaving a leeway for boldness as while maintaining the earthy tones.
The predominant colors are black, brown, and grays, with a preference for warmth to avoid the feeling of being too cold and stark.

NAD EL SHIBA

The materials are designed to maintain luxury, richness, and comfort, and to balance visual weights, lines, colors, and textures.

NAD EL SHIBA

NAD EL SHIBA

MODERN

The added wood characteristic enriches the design with a slight use of wall paint color to achieve coziness.

NAD EL SHIBA

"Simple is more"
The design lines are simple to cause calmness and relaxing atmosphere to the user by using neutral colors, raw materials and ultra modern furniture which achieves comfort.
The functionality and space saving have been achieved through careful analysis and the design of the villa.

The materials are designed to maintain luxury, richness, and comfort, and to balance visual weights, lines, colors, and textures.

WALK-IN CLOSET

NLV MEDICAL CENTER

MODERN INTERIOR

The use of marble in the flooring and reception desk adds a touch of elegance and modernism to the design while still linking all of the different elements together. Dark browns and other dark tones dominate the color scheme, giving it a luxurious feel. Aside from the marble, different types of wood have been used to enhance the space's structural integrity and aid in the design's seamless flow.

MODERN

NLV MEDICAL CENTER

NLV MEDICAL CENTER

NLV Medical Center that represents a Dental and Aesthetic Clinic, was designed by LBO Studio Team of Interior and Exterior Designers, with the clients' satisfaction as a priority. The main aim was to divert patients' attention away from the clinic's medical aspects by creating a comfortable atmosphere that provided plenty of relaxation and enjoyment. Space was built in a contemporary style with a hint of modernism to include all of the requisite facilities without sacrificing the overall aesthetic.
