The background features several thick, brown, geometric lines and shapes. A large, solid brown triangle is positioned in the bottom right corner. Multiple lines of varying lengths and orientations intersect across the frame, creating a complex, abstract pattern. The lines are a consistent brown color, matching the text.

THE RIGHT INTERIOR DESIGN

RHYTHM

RHYTHM IS THE ART OF CREATING THE THEME THROUGHOUT A SPACE. WHEN YOU ARE ABLE TO CREATE RHYTHM IN A ROOM YOU CAN BRING THE ENTIRE SPACE TOGETHER, GIVING IT A SINGLE PURPOSE, AND A UNIFIED ARTISTIC VISION.

CONTRAST

CONTROLLING CONTRAST IS A RELATIVELY DIFFICULT BALANCING ACT WHEN DECORATING A ROOM. IT IS LIKE TRYING TO TAME FIRE. IT CAN BE VERY USEFUL BUT IF IT GETS OUT OF CONTROL IT CAN SPOIL THE WHOLE DESIGN.

SCALE

SCALE REFERS TO THE SIZE OF ARCHITECTURAL FEATURES AND FURNISHINGS WITHIN A SPACE. WITH SCALE FINDING A BALANCE IS PARTICULARLY IMPORTANT AS OTHERWISE YOU WILL GET A ROOM THAT FEELS CHAOTIC, AND LOOKS PECULIAR.

IDEAS

AN UNUSUALLY HIGH LEVEL OF CREATIVITY AND A SKILLFUL APPROACH TO EACH CLIENT'S PROPERTY HAS BEEN THE REASON SO MANY HOME OWNERS HAVE BEEN SO DELIGHTED WITH THEIR NEW LIVING ENVIRONMENTS.

We are passionate about style and design. We appreciate the importance of creating the right interior design to suit individual needs. We spend time in examining and understanding your requirements in order to deliver an excellent standard of interior design, finish and personal services.

Meter Square Interiors LLC creates spaces where functions can be performed in a safe and efficient manner. We give attention to the individual requirements unique to each project and client need. The success of our projects reflect our ability to understand and meet our clients needs.

Our experience has shown that extensive knowledge of workplace strategies helps foster design that is good for business as well as aesthetically pleasing. Our greatest strength is our ability to arrive at effective solutions early in the design process-before the allocation of significant resource. We pride ourselves on our ability to understand and plan for the unique operational and organizational needs of our clients.

DESIGN DEVELOPMENT

We use our talents and experience of design principle as to effectively create an environment that reflects the clients persona. The power of interior design is used to evoke the desired emotional response that the client wishes to experience in the space. In a commercial environment, the same principles are used to reinforce the brand of the company and control the experience of the end user.

In a hospitality or retail environment design becomes one of the important mediums to deliver the consumer experience by the involving the senses. Good interior design planning affects the financial success and viability of a commercial venture.

PRE-CONSTRUCTION AND PLANNING

Design options will be specified for fixtures, hard surfaces, flooring, lighting interior/ exterior finishes, appliances and cabinetry.

ARCHITECTURAL DETAILING

Meter Square will evaluate, create and enhance architectural detailing for every aspect of your home. Special attention is given to all structural elements.

The goal is to create an aesthetically appealing environment by adding character to the structure of your home or commercial space.

FLOOR PLAN REVIEW

A Detailed analysis of the floor plan is essential in ensuring the functionality and aesthetics of a design. All factors affecting the traffic flow and ergonomics are taken into consideration

Examples reviewed in this process are appropriate sizing and adjacencies of spaces, door placement and door swings as it relates to traffic flow and furniture placement, and positioning or focal points for maximum visual impact.

FURNITURE SELECTION AND CUSTOM DESIGNS

Furniture and fabrics will be based on function, style, scale and budget. Meter Square offers a wide selection of furniture, as well as custom designs, to implement the interior environment and personal taste.

COLORIZATION

Meter Square designers will assist you in selecting paint, specially wall finishes and other surface materials with a focus on coordinating a colour scheme for your interior environment.

RETAIL CHAINS

IT IS THE METHODICAL ATTENTION TO DETAILS THAT SETS US APART FROM OTHERS. THIS JOURNEY OF DISCOVERY FREQUENTLY REVEALS UNTAPPED POTENTIAL WITHIN AN ORGANIZATION. IN DESIGN, KNOWLEDGE IS POWER AND POWERFUL KNOWLEDGE BUILDS GREATER SUCCESS FOR A CLIENT'S PROJECT.
