Mr. Flooring

One of the key performance indicators Green Hands is the level of repeat business that we receive from our clients and partners. We have a strong reputation for our competitive edge and reliable execution of all the projects that we undertake. This is achieved through our relentless attention to detail and an experienced team with the drive and customer focus to ensure client satisfaction is a given on all our projects.

Our approach is to work openly with our clients, our supply chain and manufacturers. This collaborative approach has been developed to better understand and target our client's needs, and has been central to our success and the quality of the projects that we deliver. At Green Hands, we custom fit the projects to our clients' needs ensuring that we deliver and surpass the expectations of all our partners
