ABOUT US

Amra Ram Suthar, from Rajasthan and a member of the Suthar community, came to Dubai in the 1960s to work with Al Futtaim Construction and eventually started a carpentry workshop in the year 1973.

Pink Line Interiors Design has been developing project solutions since 1973 & thus acquired extensive expertise in the complete turn-key.

Our core competencies are joinery works with production capacity of 150,000 sq ft and over 210 employees. We have a long history of seamless project execution.
