ABOUT OUR FIRM

OCCASION INTERIORS was founded in 2007 and has proven to be one of the fastest-growing and most dynamic interior firms in the UAE. We specialize in the full-scope turnkey fit-out and furnishing of show rooms, offices, restaurants, residential villas, apartments, and all other interior and exterior projects in Dubai & other Emirates. Each and every time, we have provided spectacular results to owners and stakeholders alike. Whether you need a Interior Design, full-scope turnkey fit-out, or anything related to architectural projects, you can be absolutely confident that OCCASION INTERIORS is the right business partner for you to help you meet all your needs and realize all your desires.

OUR TEAM

We are a team of highly qualified architects with years of experience. We also have more than 50 labors with experience in different fields such as masonry, carpentry, painting, etc. We bring together a vast amount of technical expertise, different viewpoints & experience to carefully assess each project & achieve the design parameters.

WHAT WE DO

OCCASION's extensive range of services, covers all aspects of the construction process and can offer our clients a complete turnkey solution. These range from the supply and installation of a range of furniture for commercial, healthcare, hospitality, hotel, education, retail and living environments, to construction, fit out, health project management, signage, and the coordination of services in between.

WHY OCCASION

We are specialist interior contractors and shop-fitters working within the offices, restaurants, show rooms, all other commercial industries and residential projects like villas, apartments, etc. in Dubai and across the UAE. We have project management, design and manufacturing resources to carry out even the largest and the most complex work.

We can handle every aspect of a project - from initial concept and design to fitting out & maintenance. We're happy to provide you with a full turnkey solution - or you can just sub-contract specific parts of a project to us.

Our extensive in-house workshops are staffed by a skilled workforce of joiners, carpenters and craftspeople ; we can create standard installations and bespoke or unusual designs, working with a wide range of materials. We specialize in bespoke items for the catering & retail sectors, including bars and curved counters, merchandising and display units. We prove that we are unquestionable contractors, with expertise in designing and developing interior spaces.
