HEALTH, SAFETY & ENVIRONMENT POLICY

VISUALIZE INTERIORS is committed to provide safe working environment for all its employees and project staff & the client whether office based or on site. Precautions will be taken to provide safe systems of work and to ensure that adequate instructions and information are available to enable potentially hazardous operations to be assessed and controlled.

It is VISUALIZE INTERIORS policy that the total HSE Management system is applied which shall include:

- Deliver compliance with international law and standards as well as UAE laws
- Achieve continuous improvement in HSE performance
- Set objectives, targets, measure, appraise and publicly report HSE
- Include HSE performance in the appraisal of all employees and reward accordingly with outstanding safety performance.

The impact of the policy is to continuously improve the management of risk to the health and safety of all employees, staff, contractor, visitors, and others affected by our operations. Our aim is to achieve an HSE performance that all our stakeholders can be proud of.

QUALITY ASSURANCE

VISUALIZE INTERIORS applies a rigorous quality control discipline to their activities. Projects are also administered and managed in accordance with these requirements. Monitoring of the Quality system will be undertaken by the Quality Department designated personnel within the organization.

A periodic review will be carried out in presence of higher management, who will authorize any corrective action.

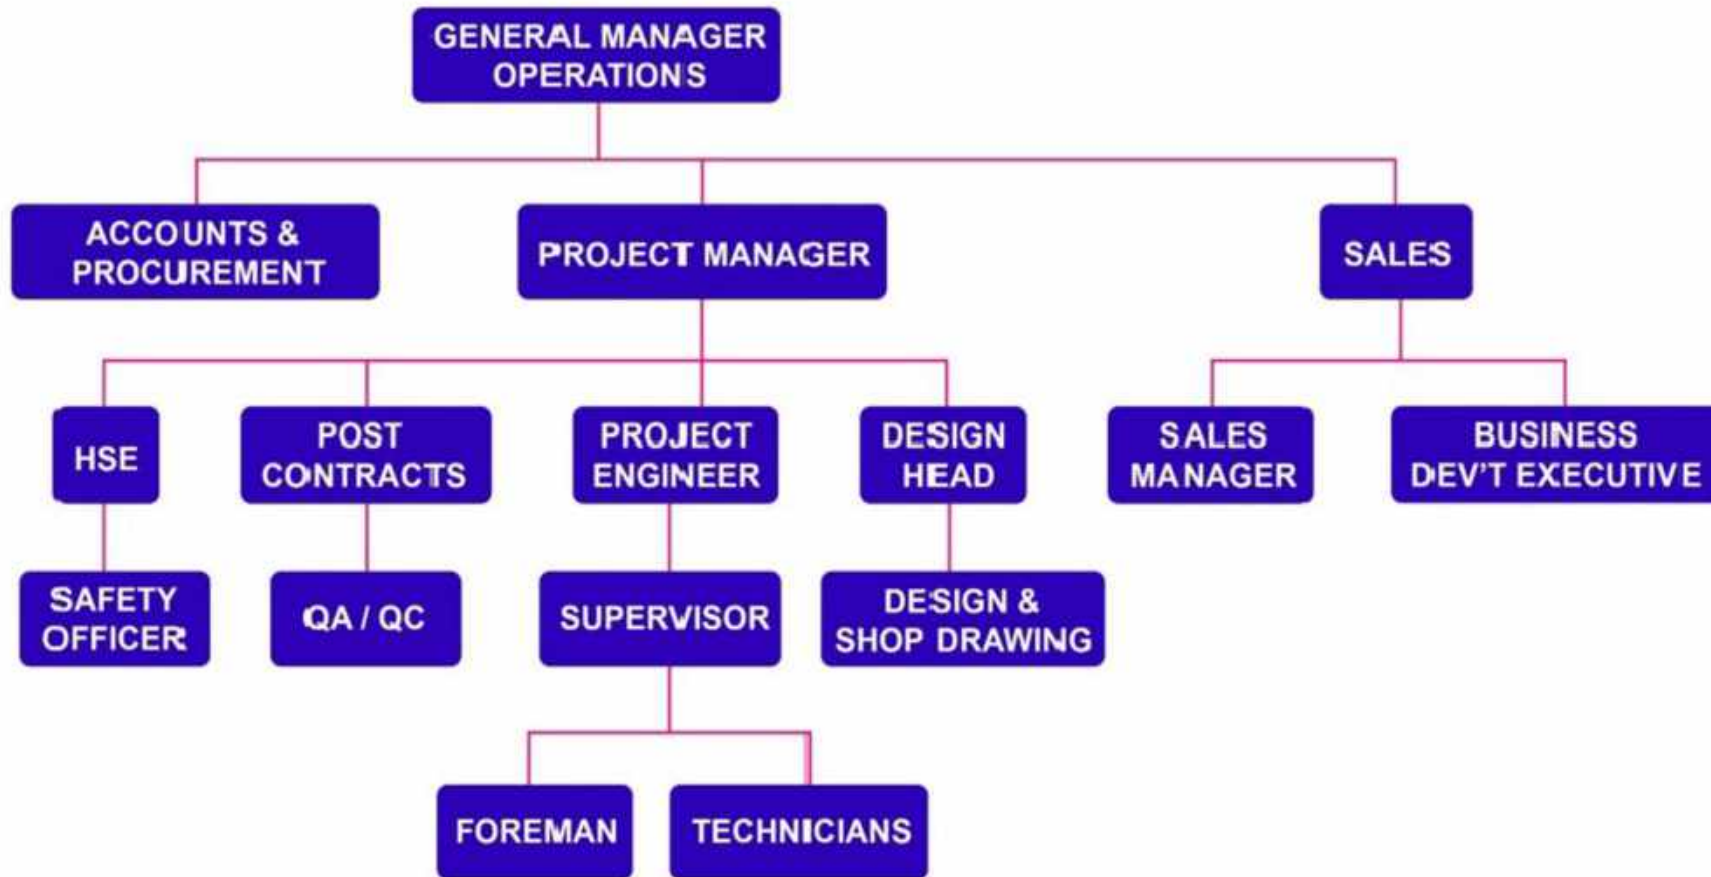

QUALITY CONTROL PROCESS

VISUALIZE INTERIORS Quality process is implemented during the construction phase and carrying out the following activities and recorded periodically with the logs:

- Shop Drawing Logs
- Material Submission Logs
- Method Statements
- Inspection Test Plan
- Inspection Request
- Site Observation Reports
- Snags List
