About FITOUT BUREAU INTERIORS

FITOUT BUREAU INTERIORS is one stop interior solutions company, implements large scale interior services from design to interior fit out (Gypsum, joinery, flooring, glass, MEP) FF&E selection, setting the specifications, custom-made and ready made furniture production.

FBI's portfolio of projects reflects its skills in combining a esthetic and operational requirements to translate a clients dream into reality. In our experience with multinational clients, we have learnt to deliver a quality product as per the brand standards.

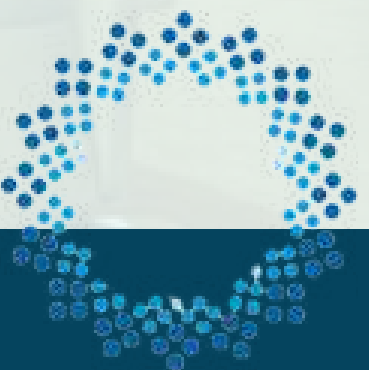

It is a testimony to our firm's unique abilities to meet clients objectives that much of our work is based on repeat assignments awarded by the satisfied clients

OUR MISSION

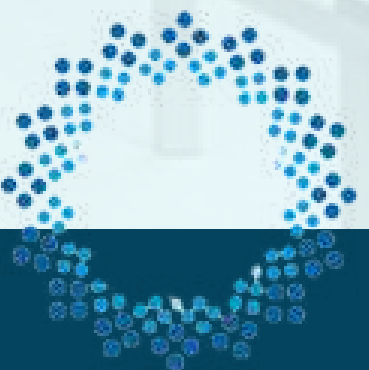

Fitout Bureau Interiors provide quality products and services in a consistent and sustainable way, ensuring client satisfaction and increased value with benefit to the shareholders. FBI creates a diverse workforce and provide equal opportunities to men and women and implement best industry practices in all areas

OUR VISION

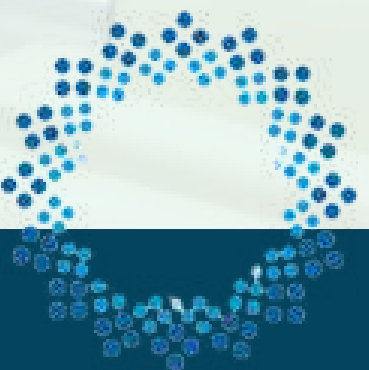

Fitout Bureau Interiors greatly value our clients. We believe that our success is connected to theirs, and therefore we work hard and do our best to focus on fulfilling their business. We aim at delivering the best fit-out services and products to our clients in time without any forfeiture in quality. We consistently provide customers with high quality service at outstanding value based on their requirements.

OUR VALUES

Our promise is to create interior concepts which turn your vision into reality. It encapsulates our commitment to delivering products and interior fit-out solutions which translate a clients dream into reality.

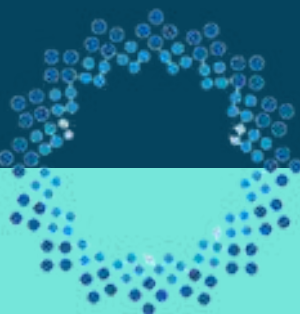

OUR PRODUCTS & SERVICES:

INTERIOR FIT-OUT

FBI specializes in fit-out and renovation, creating design concepts based on precise client requirements, delivering them quickly and flawlessly. Our sophisticated, computerised manufacturing facilities produce the most innovative and unique designs. We are highly flexible with our services, we do everything from loose furniture to finishes, HVAC and MEP works, all made to the highest expectations, keeping in mind the budgetary needs of the clients.

Interior fit-out division is fully equipped in turning visions into reality that are collaboration of professional architects, structural engineers and interior designers.

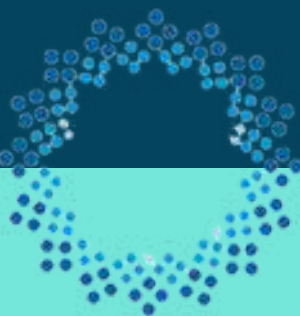

OUR PRODUCTS & SERVICES:

CARPENTRY & JOINERY WORKS

Our craftsmen are highly skilled in producing wooden fittings both through handmade methods that are passed down through generations and through machinery. The combination of human resource and technology allows us to provide all carpentry and joinery works with the high quality and efficiency.

Under this division, we supply and install doors, wall panelling, skirting, kitchen cabinets, timber ceiling, etc. Fire-retardant materials and coatings are used to guarantee client safety without sacrificing aesthetics. We continually enhance our craftsmen's skills and ensure to deliver absolute quality control at all times.

OUR PRODUCTS & SERVICES:

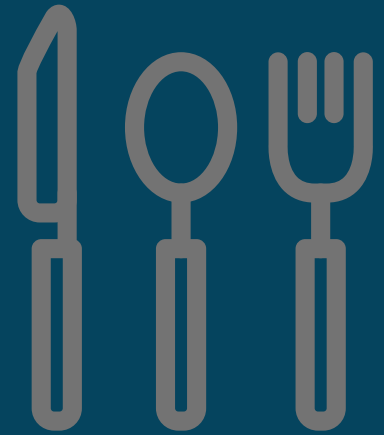

FURNITURE, FIXTURES & EQUIPMENT

We supply customised furniture, fixtures and Equipment (FF&E) to residential, commercial and hospitality spaces. We source and manufacture all raw material and products turning visions into reality with a perfect balance between art and function.

Our products are cost-effective. We deliver great value and pay attention to the clients' present and long-term satisfaction. Our projects testify to this company's dedication and ability to create designs that are of the best quality while paying tribute to local sensitivities and aesthetic preferences.

MANUFACTURING AND PRODUCTION FACILITIES

We have our manufacturing and production facilities in Al Qouz, Dubai with more than 10,000 sq. ft. of covered factory space. Our joinery, upholstery, Aluminum & Glass divisions are housed separately within the factory premises of more than 50,000 sq. ft. all our divisions are equipped with modern machine tools and enhanced machinery for multi run production which is consistent with providing high standard of quality finishes for all of our products.

With a global network of suppliers, we source and provide materials of the finest quality.

Materials which include timber, veneer, boards, fittings & fabrics, etc. are sourced from U.S.A, U.K, Italy, Spain, Germany, Malaysia, Indonesia, Belgium, Vietnam, and India besides local suppliers.

MANUFACTURING AND PRODUCTION FACILITIES

Efficient procurement strategies and streamlined vendor development policies/management ensure that we are able to produce products of high quality with the benefit of competitive pricing.

All of our manufacturing processes are compliant with international quality assurance standards. With a host of skilled craftsmen and technicians, we are able to value engineer a product yet retain the design and specification required for the cost as budgeted.

Our commitment to maintain the highest quality standard at every stage has resulted in delivering products with superior finish and value for money

Securities and Commodities office

Securities and Commodities office

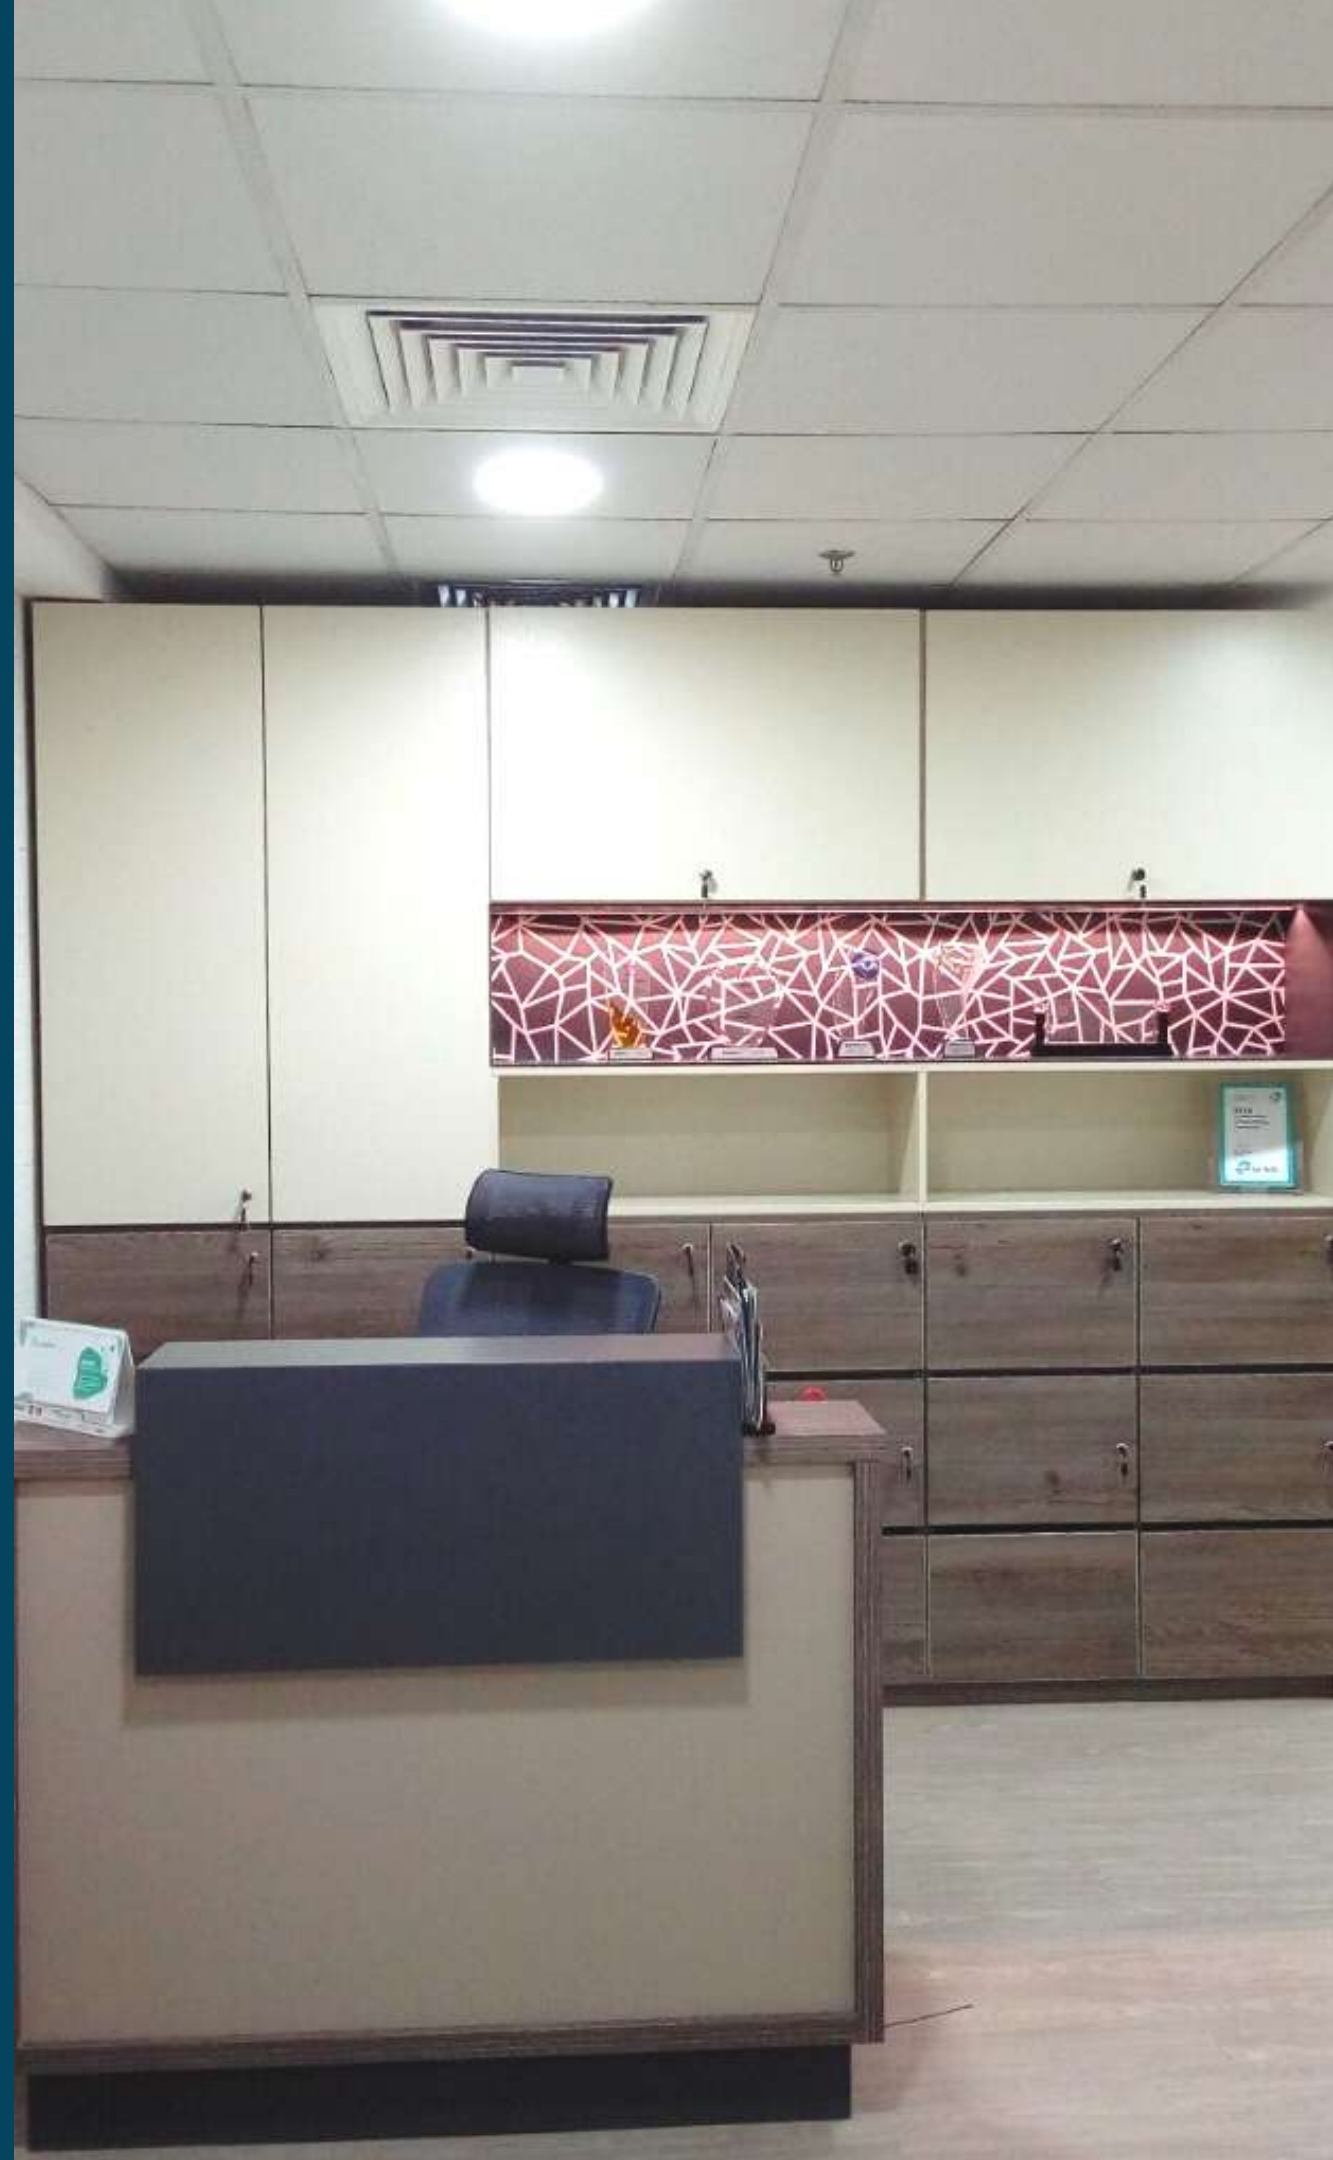

A modern office interior featuring a large wall with a complex geometric pattern on the left. The ceiling is white with a curved, ribbed section. In the center, there are two yellow armchairs and two small round tables. A large potted plant is visible in the background. On the right, there is a glass partition with a similar geometric pattern. The floor is light-colored with yellow stripes.

Securities and Commodities office

The image shows a spacious, modern office or conference room. In the foreground, a large, dark wood conference table is partially visible, surrounded by several high-back yellow leather chairs. To the left, a large wall-mounted monitor displays a grid of small images or data. The room features a high ceiling with recessed lighting and decorative elements. In the background, there are more yellow chairs arranged in a group, and another wall-mounted monitor. The overall atmosphere is professional and contemporary.
