OUR STORY

RK Gulf LLC is an interiors and contracting company, based in Dubai, with a goal of implementing exemplary ideas and building the finest design spaces.

We are backed by an exceptional team of skilled professionals who share our passion in creating and executing high standards of design for our clients.

RK Gulf was formed in 2006 with clients such as Toys 'r' Us and Marks&Spencers. Now, over a decade and a half later, our clientele includes the likes of Aston Martin, Herve Leger, and the UEFA Champions League.

While 'Transforming Design to Reality' is our slogan, it also truly represents our vision of going well and beyond the expectations of our clients and bringing life to their designs.

AREAS OF EXPERTISE

AREAS OF EXPERTISE

In order to execute our clients' requirements, we provide a comprehensive array of services, starting from the inception until the very end of the project. Our team of over a hundred employees includes Architects, Interior Designers, Engineers, and a skilled workforce, all of whom are extremely capable of executing complete turnkey projects.

We provide a
comprehensive range of services
that include:

Design starting from initial concept.

Producing detailed drawings, Civil and MEP.

Complete construction of buildings.

Joinery services from design to production and installation.

Project management services.

Fitout of banks, offices, retail spaces, restaurants, villas, etc.

Authority approvals.

AREAS OF EXPERTISE

FIT-OUT

Our team specialises in complete turnkey interior fit-outs and is capable of handling projects of varying sizes and complexity. During our many years in this industry we have completed fit-outs for offices, health care centres, banks, restaurants, fashion stores, villas, resorts and hotels, while always maintaining the highest level of workmanship

JOINERY

With our in-house joinery in Ras Al Khaimah, our clients are able to benefit from high quality and custom designs. The skilled carpentry team in our joinery has an extremely keen eye for detail and ensures that everything we produce achieves design perfection.

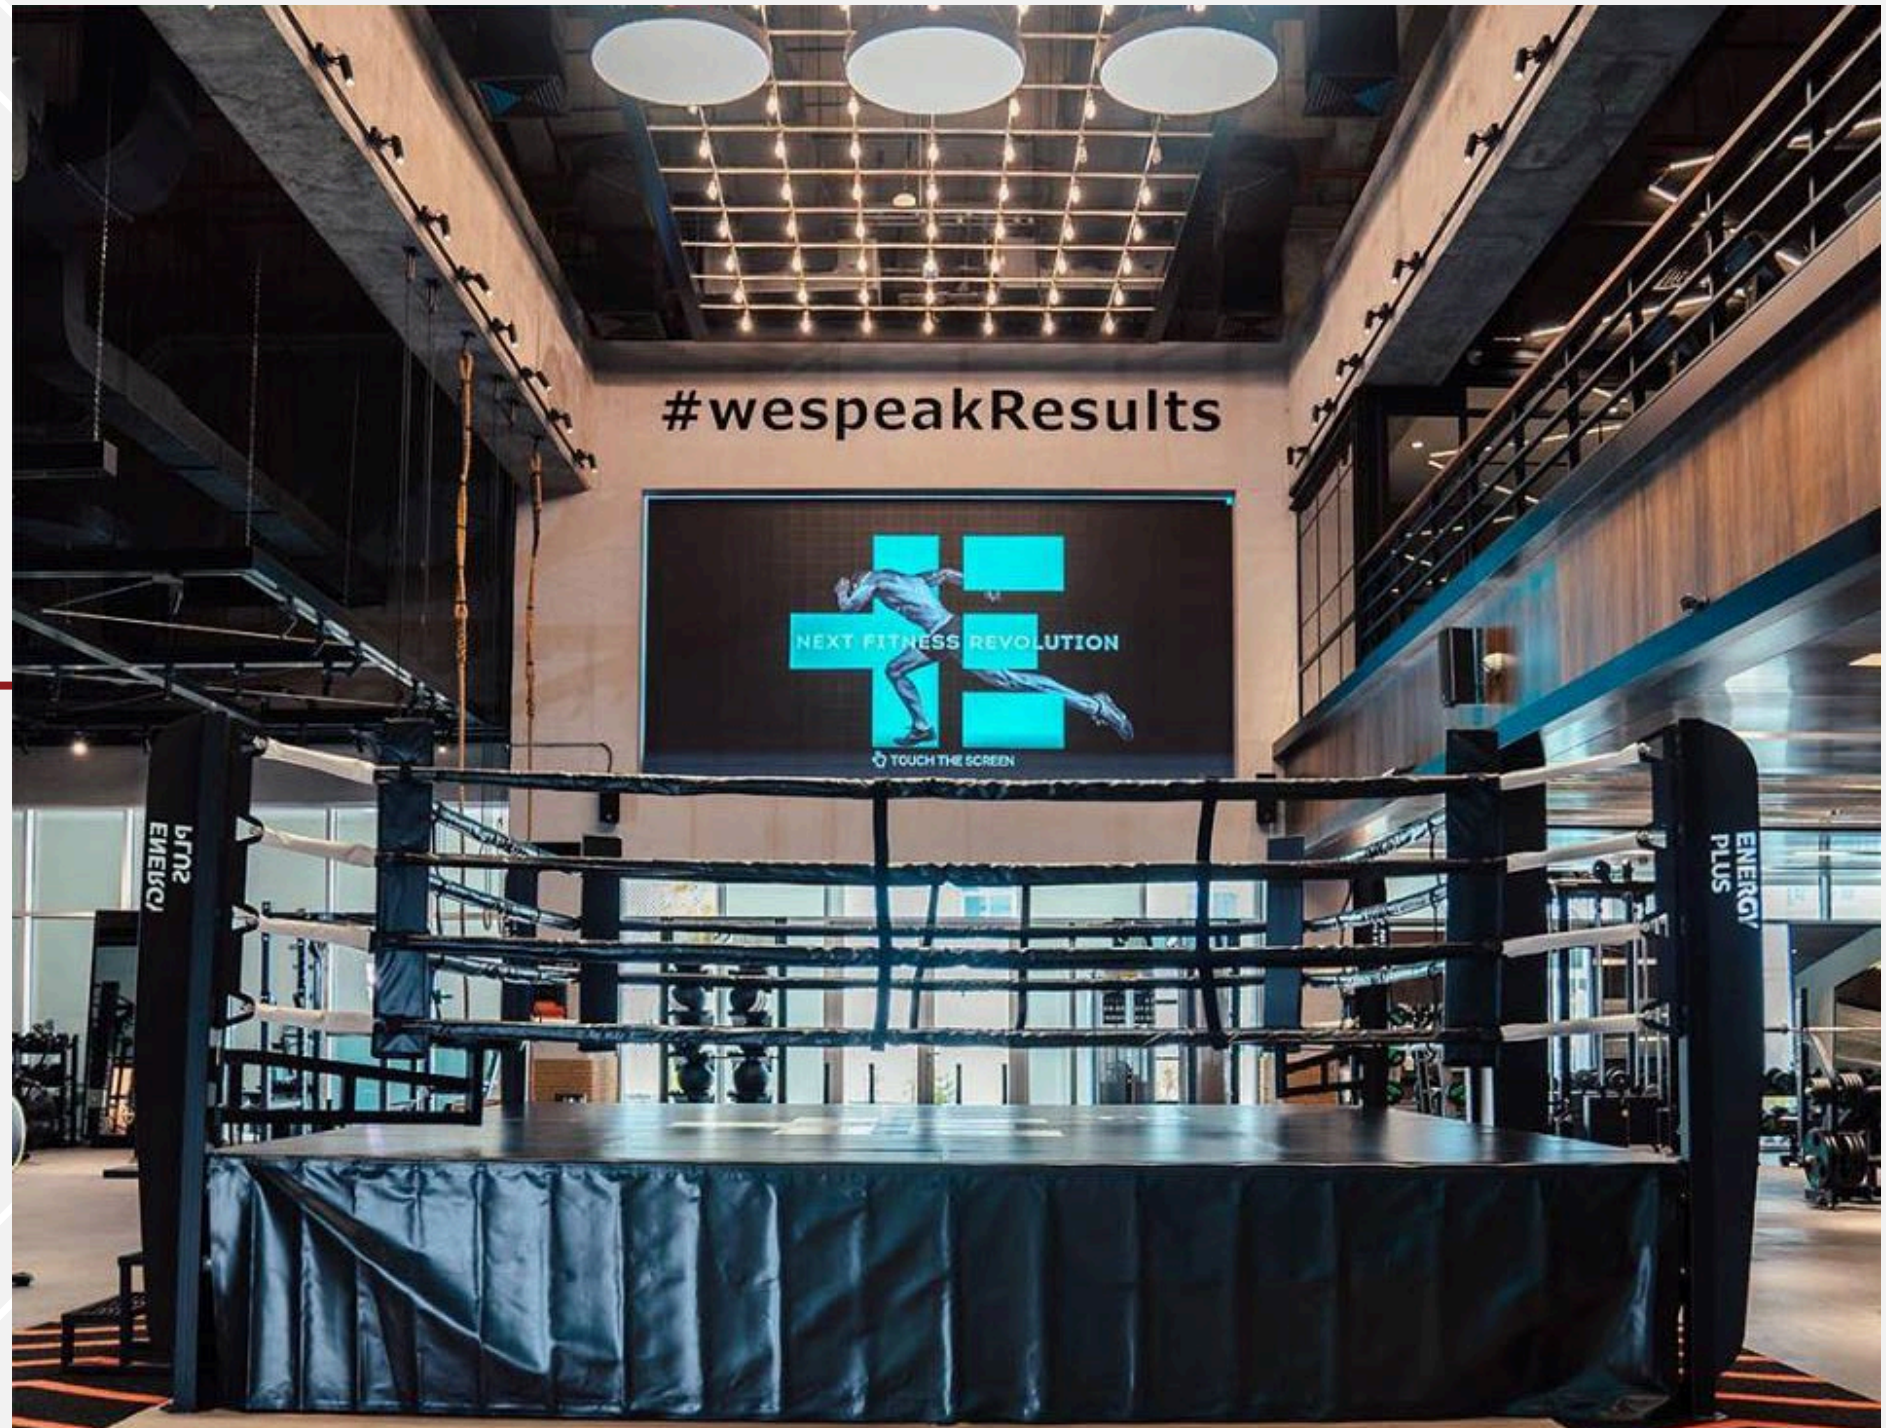

MEP

We have a highly professional and able MEP team, consisting of proficient Mechanical and Electrical engineers who specialise in the field of commercial and industrial installations and maintenance.

Landscaping

Our team specialises in achieving a beautiful synergy with nature creating vast spaces of green , interspaced with beautiful flora and water features. We ensure complete harmony between the architectural elements and landscaping, indoor and outdoor thereby resulting in areas of beauty, calm, and peace.
