COMPANY SUMMARY

Cecilia Clason Interiors Decoration LLC (CCI) is a luxury full-service interior design studio based in Dubai. We create bespoke, innovative and well-balanced design solutions that are both elegant and functional. Established in 2008, CCI has delivered high-end interiors for residential properties, five-star hotels, restaurants and offices across the globe.

We also work with FIG London on large scale hospitality projects, ensuring that we have access to top international designer, making us aware of design trends and it allows us to have access to UK and international suppliers.

CECILIA CLASON

Cecilia is a Norwegian interior designer with over 20 years' experience. She is known for her unique design aesthetic, which combines Scandinavian influences with global references.

CAREER

Cecilia left a successful career in the film industry to pursue her passion for design. After studying interior design, she honed her skills working with some of the best names in London.

In 2006, Cecilia moved to Dubai to work for Sheik Mohammed Bib Rashid Al Maktoum and founded CCI in 2008.

OUR VALUES

- A Blend of Creativity and Luxury
- Experience and deep Industry Know How
- Solution and Problem Solving
- Accountability
- A very Personal and Bespoke service

WHAT WE DO

Our team of experienced interior designers and CAD technicians use their skills, experience and passion for design to:

- Create bespoke luxury turn-key interiors
- Provide a personal, responsive and flexible service
- Meet briefs with new energy and fresh concepts
- Deliver a smooth design process

WHAT WE DO.....more

Being boutique means we can approach each and every Project in an individual way, which ensures that our Clients get what they need.

Flexibility is core to what we do. Combined with listening to what our Clients actually need, we aim to create interiors which are not only beautiful, but enjoyable to spend time in.

Always aware of current trends, yet often using references from the past, we create unique spaces, which have both style and substance. Constantly updating our Library with new Materials and Suppliers, it ensures we always breathe new life into our Designs.

OUR STUDIO

We are conveniently based behind Mall of the Emirates in Al Barsha, Dubai. This central location means we can easily move around town at short notice to meet new and old Clients and do site Inspections.

We have a team of qualified Interior Designers who have experience with Residential, Hospitality and Office Design.

Our extensive Material Library is constantly updated with new materials such as marbles, leathers, timbers and fabrics. Meeting new and old suppliers is key to keeping designs fresh and up to date.

SERVICES

Our Services includes:

Concept Design:

Some projects only require Conceptual work. For these types of Projects we provide the client with photorealistic 3D renders.

Full Interior Design Documentation:

We work on Projects from Concept through to Schematic right through to Design Documentation.

Refurbishments:

We don't just undertake projects at Conception stage but are also experienced with Refurbishments.
