RIVER ISLAND

INTERIOR DECORATION LLC

RIVER ISLAND INTERIOR DECORATION L.L.C is a leading interior design, joinery and electro-mechanical work specialist company with an impressive portfolio of local and multinational clients based in U.A.E. and the Middle East since 2008.

A young dynamic company with a team that has a proven track record delivering to the highest international standards for demanding customers. We understand that every project is unique and requires a tailored team approach. Hence on appointment we assign a design director to manage your project and to help meet the client's requirements related to the project. We always strive to exceed customer expectations.

Our dedicated team of professionals, apply international expertise combined with local knowledge to everyday projects, regardless of size or budget. Objective being to ensure that every client brief, no matter how complex, is interpreted into flexible, durable, cost-effective and transparent design solutions, on time and within budget.

All projects are overseen by the director to ensure quality of delivery.

1.Design Solution

Our design team, along with the client starts understanding the brief and the core principles of their brand. With this understanding, we begin with the initial stage i.e. market research, and be with the client till the last stage of the process i.e. 3D visualization for the contractor used for implementation. We expertise in feasibility studies, creative concepts, construction drawings, furniture fixtures & equipment design, approvals tendering, project management and on-site supervision concept design.

COMMERCIAL INTERIOR DESIGN SERVICES

- Retail interior design services
- Office interior design services
- Hotel, coffee shop and restaurant interior design services
- Hospital and clinic interior designing services

RESIDENTIAL INTERIOR DESIGN SERVICES

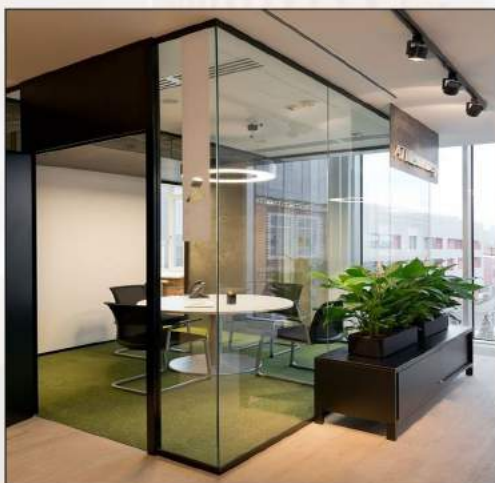

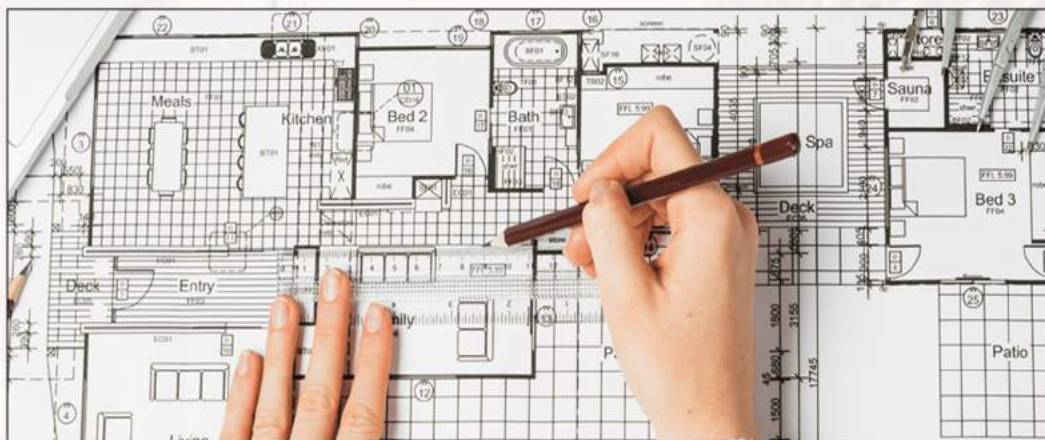

- Villa interior design
- Apartment interior design

2. Fit out Solutions

Our projects team is trained to send a detailed project schedule prior to the commencement of the work. This is followed with weekly site reports and updated schedules to ensure the client and the other team members are up-to-date about the project progress. The operations team also play an important role in value engineering the project and working in accordance with the design studio, ensuring design intent is maintained while managing to deliver the project on a reduced budget within a constrained time frame.

- Interior Fit Out Solutions & Services
- Commercial Interior Fit Out
- Residential Interior Fit Out

3. Joinery Solutions

Joinery- We have a workforce consisting of a factory manager, foremen and a team of skilled carpenters, technicians, painters and helpers trained to operate CNC cutting machines, wood working machines and 3 paint & polishing booths. We can work with a variety of materials including hard woods, veneers and plastic surfaces laminates and specialist paint finishes. We ensure top quality is delivered in veneered wood or in paint finishes.

- Exterior Joinery Solution
- Interior Joinery Solution

Custom made furniture

Whether you have a distinctive taste, or a unique space that needs a custom designed piece, our certified makers will help you get what you require. We aim to acquire the utmost customer satisfaction.

4. Fire Rated Door

Our fire rated doors include individual fire rated components, fully branded cores and the industry's foremost offerings of fire rated acoustics. We strictly follow British standards to manufacture our fire rated cores. Our cores are approved by the Dubai Civil Defense and they also meet the required specifications of the consultants. Fire rated cores are available in different thicknesses;

- Fire rated core FD 30 min (44mm thickness)
- Fire rated core FD 60 min (54mm thickness)
- Fire rated core FD 90 min (64mm thickness)
- Fire rated core FD 120 min (64mm thickness)

5. Exhibition Stand Manufacturing

We excel in providing custom built stands or even providing solutions to your design problems. We render the most suitable concepts that would help clients to increase customer visits on the stand and deliver the marketing message across the targeted audience.

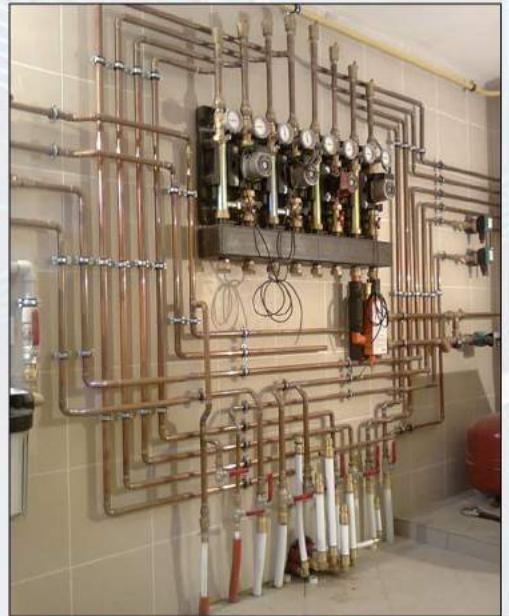

- Exhibition stand contractors & builders
- Exhibition stand design services

6. MEP SOLUTIONS

We extend the expert engineer's brain power and services from vigilant technicians in this division. We ensure the project undertaken by us is completed with complete integrity. Our Electro Mechanical Division is equipped with a technical team that is capable of handling all the works related to MEP. We render excellent services in:

- Specialized Lightings
- Electrical Works
- Fire and Safety Works
