SH GROUP OF COMPANIES

Speed House Group (SHG) is a privately held multi-industry group of companies operating from Industrial Area 1, Ajman, UAE. Founded in 1974, SHG's leadership and team has been at the forefront of introducing innovative solutions and developing new markets in the region for various built environments. Over its 50 years of operations, SHG has expanded its product reach across EMEA, North America, and Asia-Pacific and grew its headcount to over 1,500 members.

The group leverages its investments in state-of-the-art technologies and industrial machineries to produce bespoke, sustainable, safety-rated, eco-friendly products adhering to ISO 14001:18001 and ISO 9001 standards. It complies with locally and internationally accepted QHSE norms OHSAS 18001:2007 to ensure best quality products while applying highest occupational safety precautions to ensure the safest working conditions for all its stakeholders and the environment.

SH INTERIORS

Speed House Interiors (SHI), conceived in 1995, started as a department withing SHG until it was formally instituted in 2011 as a separate entity licensed and located in the Emirate of Dubai. Both SHG and SHI's combined expertise complement each other in delivering unparalleled, turnkey fit-out projects. SHG's other subsidiaries such as Speed House Furniture and SHI offer an integrated, end-to-end service under one roof – partitions, ceilings, tiling, painting, joinery, furniture, kitchen, MEP works and more for residential and commercial clients.

DESIGN YOUR LIFE SERVICES

FIT-OUT CONTRACTING

We specialize in delivering interior fit-outs for commercial, residential, retail, and hospitality spaces.

WHY SH INTERIORS

Extensive Industry Experience Locally & Internationally

We have experience working in different geographies, on various building types, with diverse clients and subcontractors, under a range of regulatory settings, for project of all scale and scope.

Multidisciplinary Team

Our design, production, and project management leadership team is focused on quality and excellence. Our ability to understand challenges and craft innovative solutions is second to none and we place our people, clients, and end users at the very core of every decision.

In-House Facilities

With our factory spanning over 70 thousand square meters and equipped with state of the art technologies to deliver everything from furniture, wood works, automatic wood spraying, to block works, we can do it all under one roof.

Quality Control

We have a quality system that starts with designers and includes quality planning, samples, sub-contractor evaluation, inspection plans and more. Our site management teams operate the latest software for use in scheduling and programming projects of all sizes to maximise efficiency and accuracy. SHI strives to ensure our finished projects are delivered completely free of defects or snags, therefore offering exceptional quality at all times.
