About Us

THE FITOUT has established itself as one of the leading companies providing "total interior solutions ", consistent with the highest standards of quality and services since the company's inception in 1987. Driven by the core values of teamwork and process ownership on an individual level, the company's headcount stands at over 750 highly qualified and dedicated employees.

Guided by the company's core value of delivering excellence, we provide a comprehensive range of services such as fit-out contracting, manufacturing, design & build and project management .

THE FITOUT was incorporated with the vision of becoming the regional benchmark for quality finishes as it continues to be recognized as one of the best providers of high-end bespoke joinery and fit-out works.

The company's environmental policies and management system are based on ISO 14001 standards and include measures encouraging ecological awareness among all employees. THE FITOUT's commitment to green construction through early adoption and ongoing education on emerging techniques and products has resulted in works that are in sync with the environment and also satisfy client needs.
