SLABS

Our range of slabs features large dimensions, that support both walls & floors, adding a layer of luxury and elegance to your space, according to your own measures of a perfect fit.

MARBLE & ONYX

Starting with its name, Lilac pays homage to a natural oriental marble.

A prestigious variety, whose dramatic black veining against a white background sometimes creates a pale violet shade.

PIETRA DI

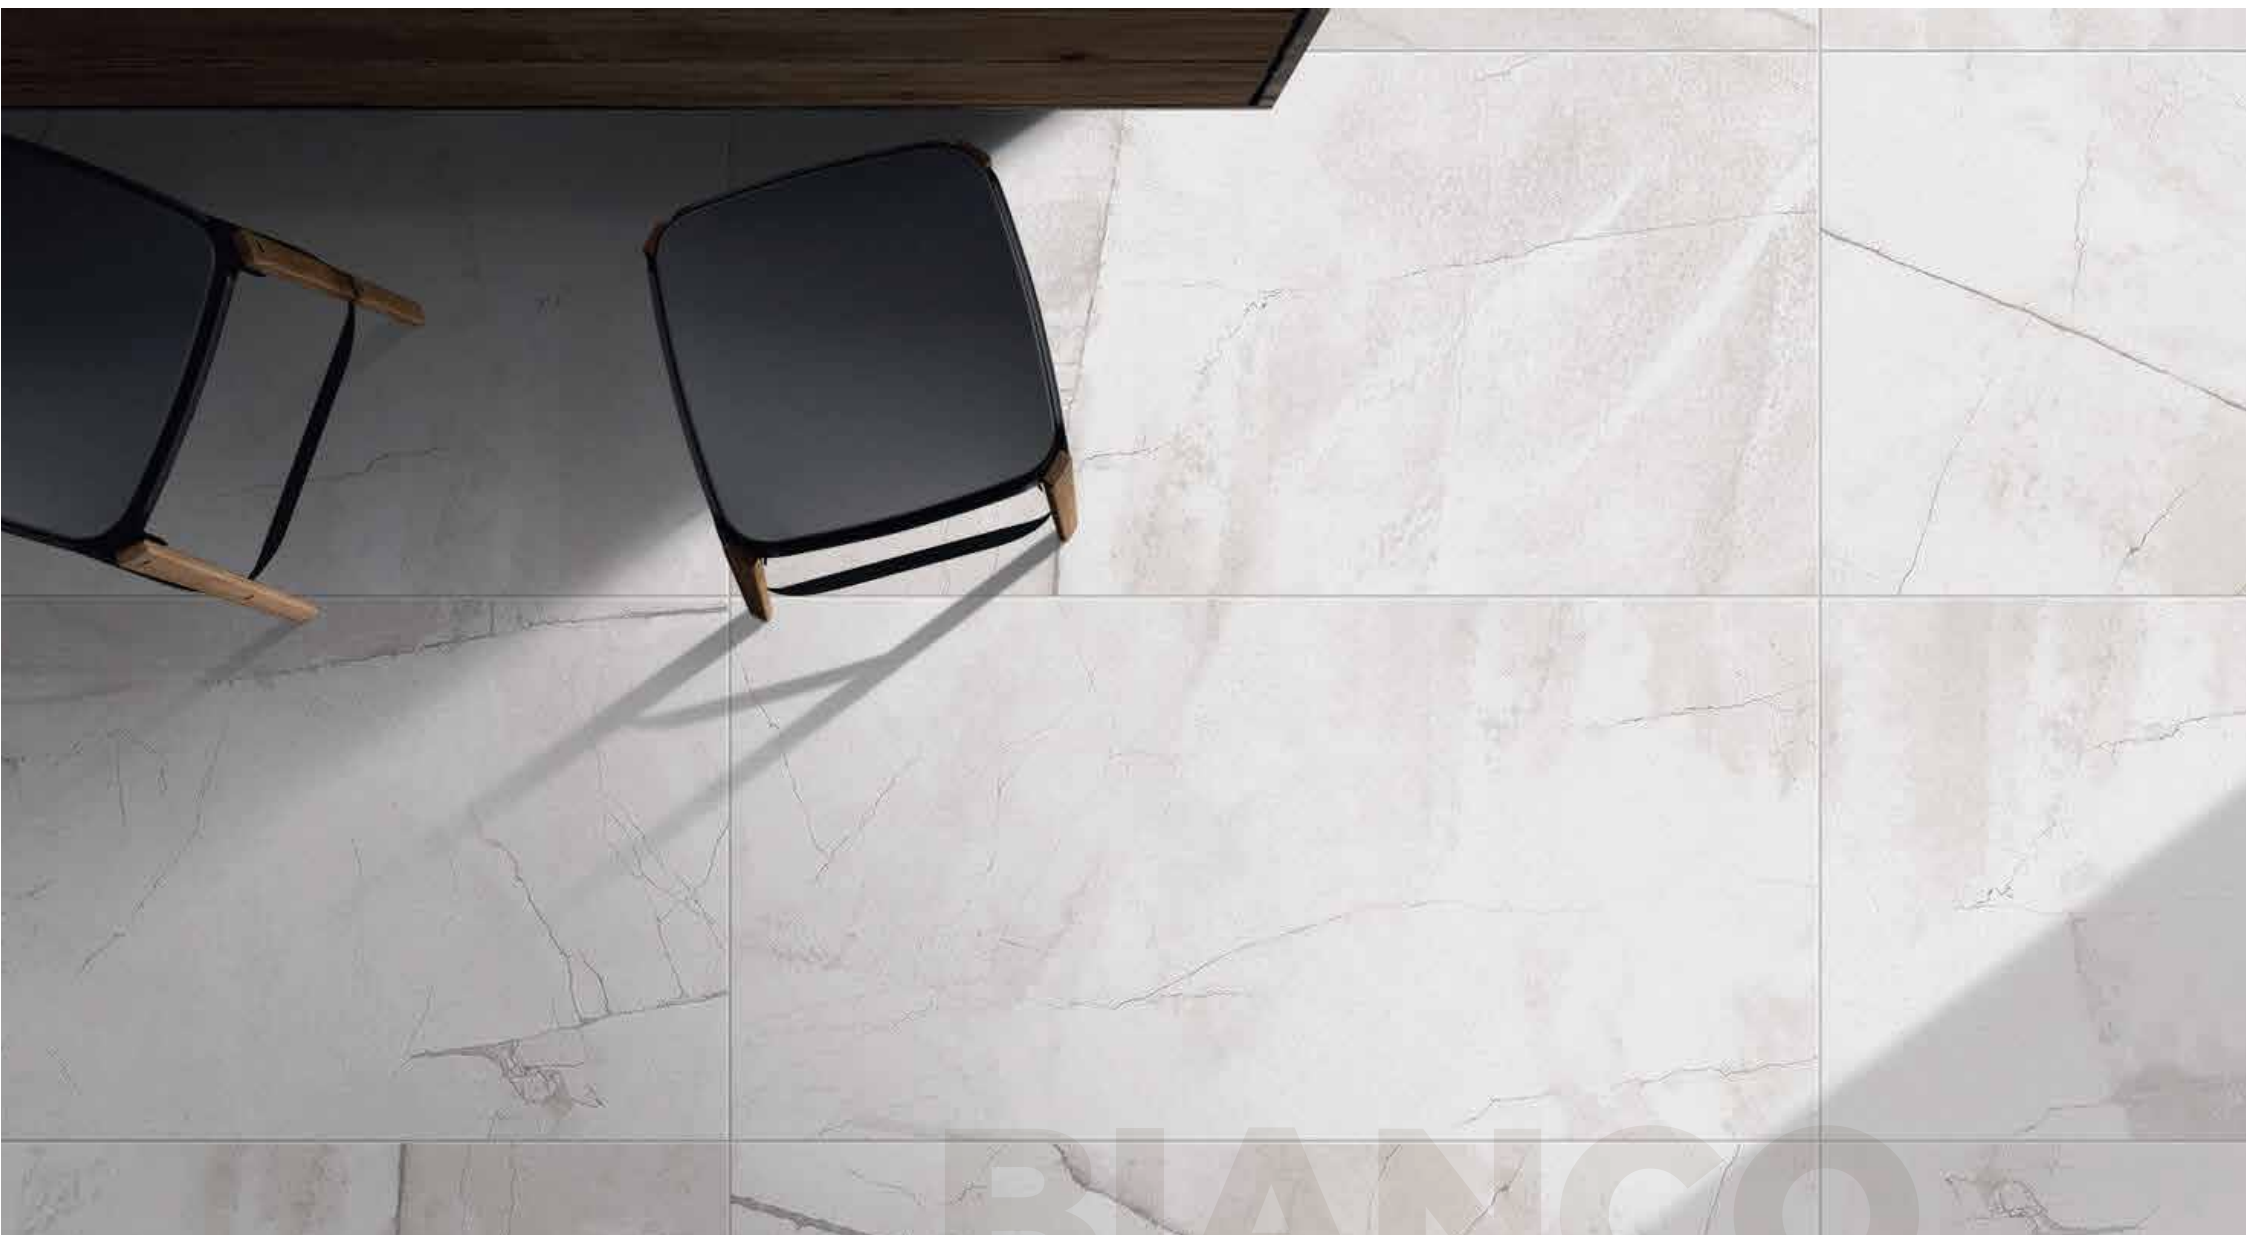

SERRENTI

A collection that interprets a typical Sardinian stone, trachyte: an ancient, tactile material which tells a lot about its territory. Its veins with reddish shades create delicate contrasts with the yellow-orange background.

It is perfect in both architectural and interior design contexts, with surprising scenic effects.
