METAL LAB FOR METAL WORKS LLC

We specialize in three disciplines, Structural Steel, Architectural Metals, and Glazing.

Metal Lab was started with a view to providing a complete solution for high quality Interior fit-out projects. This has been achieved in a relatively short space of time and is evident at many completed projects. During this period we have built our reputation as a company that priorities high quality, reliable service and work whilst maintaining competitive prices.

Our pledge is to honor our commitments to our clients, provide full satisfaction through high quality work and services and commitment to after sales service. This is all underpinned by the continuous improvement of our facilities and systems through ongoing investment.

We offer quality assurance and this is achieved by ongoing training of production staff in handling, processing and freight of the finished product as well as ongoing training of site operatives.

We believe in utmost attention to detail and delivery of superior finished product to our clients.

SYANA Commercial Maintenance

SYANA COMMERCIAL MAINTENANCE

The idea initially started from our DLP (Defects and Liability Period) department to turn into an individual business unit due to the need of clients and building owners to keep their facilities valuable over the years.

Some of our commercial maintenance works include:

MISS LILLY'S

Miss Lily's opened their first international outpost inside Dubai's Sheraton Grand Hotel on Sheikh Zayed Road in 2016, their highly celebrated Caribbean cuisine and sunny vibes to the Middle East for the first time.

LOCA AUH

Loca is a new concept in Mexican dining and drinking, opened in October 2009 and has had the critics raving ever since. Mexican food outside of Mexico has always been synonymous with 'Tex-Mex' fast food style eateries. Loca has broken that mould.
