OUR SERVICE

1. ENGINEERING CONSULTANTS

The present creative ideas for project planning and execution that result in the most efficient solution. We devise a strategy that takes into account the needs of current society while not jeopardizing the culture it represents. To create and strengthen a project, it takes extensive research and talent to attain a worthy outcome. An engineering project is not a simple task that anyone can complete; it requires skills and experience. We carry out our tasks with pride and integrity.

2. INTERIOR DESIGN & FIT-OUT

We listen to your needs and assist you in discovering your own style that will fit your need and requirements. Our primary area of expertise is full-service luxury designs, which include the interior design of their offices, clinic, schools, restaurants, salons, villas. We provide innovative space design to ensure that every square meter of your property is used to its full potential. Interior Design and fit-out is a broad complex of repair and construction work that is required to complete the entire interior design. Rawabi offers a broad range of fit-out services in Dubai, both interior and exterior, in accordance with both European and international standards; we use cutting-edge technology, allowing us to have a guarantee for the work that we do.

3. RENOVATION WORK

RAWABI Best renovation company near you with solid experience in renovation for offices villas and flats, and all types of Properties. We have done home renovations in all Emaar communities, Nakheel properties, and Dubai Properties. Expert in providing all kinds of support obtaining the NOC and Permits from the Master developer, Community management, and Municipality.

4. GENERAL MAINTENANCE

The completion of a project does not mean the end of our relationship. And after we leave the premises, we believe in maintaining a long-term friendship with you. We will assist you with any difficulties you might encounter in general maintenance which includes Tiling , Painting , Plumbing , Electrical , Carpentry , Gypsum , Waterproofing , Swimming pool , HVAC services , Road Marking , CCTV

6. LANDSCAPING & SWIMMING POOL

Our talented landscape designers work hard to create unique and diverse landscape designs for your house. They not only have the best landscape concepts and designs in Dubai, but they also work around the clock to ensure that the project is perfectly completed and that the client's goals are met. RAWABI has already served and advised clients from all over the UAE.

5. ROAD MARKING

RAWABI COMPANY is one of the leading road marking contractors in UAE reputed in services like hot thermoplastic machine marking for roads and highways, hot thermoplastic hand marking, cold road marking for airport and parking lots, removing existing marking by sandblasting, Road stud fixing & Kerb stone painting with spraying machines etc.

ENGINEERING CONSULTANTS

• ARCHITECTURAL DESIGN AND STUDIES

Our architecture is driven by a belief that the quality of our surroundings has a direct influence on the quality of our lives, whether at home, in the workplace, the cultural building, or the public realm. The same thinking applies at the larger scale of infrastructure, whether that is a city center or a regional plan.

• CIVIL & MEP ENGINEERING

RAWABI engineering consultancy takes pride in offering a full range of structural, civil engineering design, and consulting services, and we are sure about the quality of work and services from the design stage to completion.

• AUTHORITY APPROVALS

We provide you complete Approval Services including Drawing Submission, space planning, Interior Designing, Documentation, Receiving NOC from Authorities, Approvals, Inspection, and Completion certificates. We are specialized to provide your engineering requirements for authorities. We will obtain building permits and approval to the individual areas like Clinic, Saloon, Restaurant, Business Building, floor, and restaurant projects.

• SITE MANAGEMENT & SUPERVISION

Our team combines the skills of planners, urban designers, landscape architects, and place making specialists to offer a full complement of services addressing the built environment's planning and design. Working in close collaboration with clients, we seek out sustainable, innovative solutions that respond to the specific conditions of a site, city or region, and the aspirations of the communities who use them.

INTERIOR DESIGN & FIT-OUT

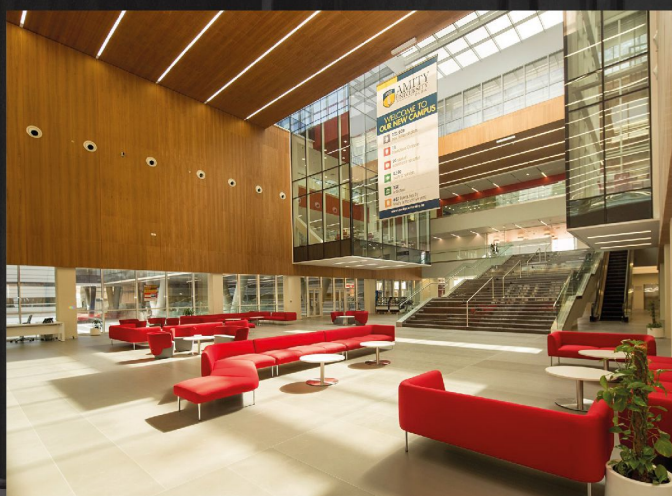

RAWABI's interior designers and fit-out team have an important mission: building , offices , clinic , schools , salon , retail shop , restaurant , villa and anywhere else where you reside that will fulfill your needs while being structurally safe and sound.
